## A note from Mrs Jameson

This week in school we have continued to focus on the Christian Value of Generosity. Children are understanding that generosity is about doing something for others without expecting anything in return.

Many children have now volunteered to carry out a role of special responsibility within their year group or within the school. We pride ourselves on opportunities we provide for children to play a role in different areas of school life, as representatives on the School Council, Worship Committee, House Captains, Playground Leaders and Librarians. All of these groups provide children with the opportunity to play a key leadership role within the school, representing their classmates by making suggestions about how the school can be improved, sharing their thoughts and opinions and taking part in additional projects and events. They are a key way in which we support the children's personal and social development, equipping them with a range of skills and experiences which help them to grow as whole people. Pictured below are our new school council who play a vital role in being the voice of the rest of the children in school and are instrumental in being advocates for change.

## Hello Yellow Day

This year, we are supporting 'Young Minds', the children's mental health charity.

On Friday 10th October, it is the Young Minds, 'Hello Yellow' day – a day which we are taking part in to 'stand out and show up for young people's mental health.'

Children can wear non-uniform to school on this day with some yellow clothes and/or accessories.

We appreciate you working with us to demonstrate our support for children's mental health. If you are able to make a small donation that would be even better. We will be selling buns and biscuits at break time at 50p each. Any donations of buns, biscuits and traybakes would be welcomed.

Thank you

## Attendance matters

It's that time of the year when we all start to come down with a cough or a cold. The government advice for sending your child to school with a cough or a cold is as fol-

lows.

*It's fine to send your child to school with cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature. Encourage your child to throw away any used tissues and to wash their hands regularly.*

Over the past couple of weeks we have had a number of children having time out of school for appointments or for parent appointments. Wherever possible we urge you to keep appointments in school time to an absolute minimum. We don't want your child to miss out on valuable learning time in school. Thank you

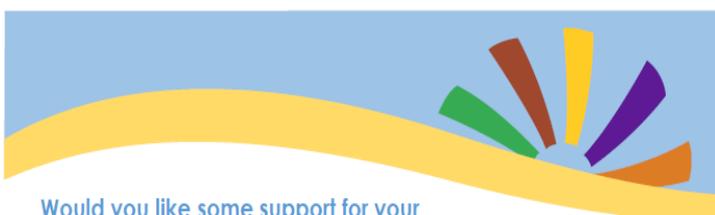

## Cross Country Success

On Monday, the children in Key Stage 2 participated in the first Cross Country Event of this academic year. The event took place against the idyllic backdrop of Sledmere House, providing a beautiful setting for our young athletes to demonstrate their athletic prowess.

Our runners displayed grit and determination throughout the competition, resulting in the achievement of two medals. We are also delighted to report that many of our pupils successfully qualified for the next stage of the competition, which will be held at Hornsea School in a couple of weeks.

Well done to all the runners for their outstanding performances. Thank you to Miss Warkup for her support, as well as to the parents who attended and encouraged their children during the event.

Would you like some support for your family?

Looking for some advice?

## Coffee Morning

Tuesday 7th October 2025

9am - 10am

Burton Agnes School Hall

Come and enjoy Coffee/Tea and cake and have the opportunity to meet Sharon White, our new family support worker and the school nursing team.

Find out what services are available to support you and your family.

All Welcome

Join us for our annual
