BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs. Jameson

The tree is up, the nativity costumes are out, the Elves are watching and it's beginning to look a lot like Christmas! However the children are still working hard and are producing some super work. It was lovely to share work with Isabella and Darcy in Year 6 this week as they talked to me about a new way they are approaching their written work with very pleasing outcomes. Class 3 and 4 have been looking at a new way to help children with their writing particularly as they may be an area that has slipped slightly as a result of lockdown. The approach is very supportive and provides children with lots of teacher led ideas that helps develop children's confidence and use of rich vocabulary as well as making them focus on their grammar, punctuation and spelling.

In Special Mentions on Friday we handed out the Pride and Presentation Awards for last half terms work. These awards identify children who have made pleasing progress and demonstrated great effort in how they present their work across the whole of the curriculum. Well done and congratulations go to Lacey, Oscar, Lara and Jasmine.

Dinner Money

Please can we have any outstanding dinner money in school by **Friday 11th December** so that it can be banked before the holidays. Thank you

The big switch on

The children in Class 3 have been working on their electricity skills in science this half term. This week they worked on operating a switch, understanding that a switch opens and closes a circuit.

Pen Licence Awards

Well done and congratulations to Chloe and Lottie in Class 3 who have both demonstrated their consistently neat and joined hand writing which means they now have a pen licence and can write in pen. Well done girls!

Reading Well—books to support children's mental health

We would like to draw your attention to some great resources that are available through your local library.

If you have concerns about your child's mental health we recommend exploring Reading Well for children, a list of books recommended to help children understand their feelings and worries and cope with tough times.

The books have been chosen by children, carers, health experts and librarians and are targeted at children in Key Stage

2. You can borrow these books from any local library, so please check them out.

If you do have concerns and haven't already spoken to someone in school about it, please do as we have staff in school and resources that that may help.
