BURTON AGNES CE PRIMARY SCHOOL

Friday News

A Note from Mrs Jameson

As we wrap up another busy and productive term, I want to commend the children for their efforts. They certainly deserve a rest and some lovely family time together! This week's newsletter captures all the fun and activities from the last two weeks. Don't forget to check out the new dates for the diary, which will keep you informed about all the exciting things coming up in the summer term. Wishing you all a fabulous break!

Colours of the World Day

Last week, we celebrated our whole school theme for learning, "Colours of the World." Over the past term, the topic has focused our learning on Geography, enhancing their understanding of the world around them. We wrapped up this engaging learning journey with a spectacular whole school celebration.

We were thrilled to have a samba specialist join us, teaching the children some lively carnival dances. The kids performed brilliantly for each other, showcasing the vibrant carnival costumes they designed during art lessons. The atmosphere was electric!

To top it all off, we shared delicious South American food prepared and cooked by the children, putting their food technology skills to good use. The wonderful aromas drifting around the school were simply amazing! It was a fabulous celebration of learning, and we are so proud of all the children's hard work and creativity.

friendship, care and trust

Easter Fun at Burton Agnes

This week at our school, we have been reflecting on the rich traditions associated with Easter, particularly those unique to Burton Agnes. The children engaged enthusiastically in a variety of activities such as making Easter cards, decorating eggs, and participating in our traditional rolling competition. The air was filled with excitement, as everyone demonstrated a spirited competitiveness throughout the egg rolling event.

We would like to extend our gratitude for your support, as the popularity of these activities is likely to have boosted egg sales in the local area!

Congratulations to Lucy, Alfie TL, and Ada, who were the winners of the School Council Easter Art Competition. A big well done to all who entered; it was lovely to see such a varied display of artistic skill.

FOBAS Easter Bingo

What a lovely time we had at the Easter Bingo! It was fantastic to see so many members of the Burton Agnes community supporting the FOBAS event. Everyone enjoyed the games, laughter, and a bit of friendly competition. Thanks to the hard work of the FOBAS members and your generous support, we raised an impressive £175 to help develop our outdoor areas.

Can you help? We are wanted to replenish the stock of branches and small logs for our den building area on the field. If you can help please let the school office know. Thank you

Friday 18th July	Leavers service 11 am followed by Whole School Picnic
	End of term

Easter Church Service at St Martin's

What a fantastic turnout of parents as we came together to celebrate Easter at St Martin's Church today! The atmosphere was buzzing with excitement as our talented children brought the Easter story to life through songs and expressive performance poetry. Our fabulous Worship group led us expertly through the afternoon, telling the story of Easter.

Thank you goes out to Rev Maxine and the Church for the lovely Easter gifts that the children received; they were absolutely delighted!
