BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs Jameson

This week in school we have been given special thought to our school values, in particular our value of **care**. We have thought carefully about caring for our environment both inside and out. On Tuesday I presented the children with a 'bag of doom' which consisted of lots of things that had been left laying around the school in the wrong place. On Wednesday some of our School Council showed care as they cleaned up the environment around our school. Many thanks to them and Mrs Young. We hope that the children will continue with this right up until the last day of term.

We still have a collection of lost property that we will put out for collection at the school Fair on Friday afternoon.

Showcasing learning

On Tuesday morning we welcomed parents from Year 4 and 5 in to school to watch their children demonstrate some of their learning. At Burton Agnes we invest in providing the children with guitar lessons for two years so that they leave us being able to play a tune on a guitar, read music and have a love for music that they may wish to develop further in future years. The children performed a snapshot of their learning and amazed us with their skills. Next year the children in year 3 and 4 will learn guitar for the next two years.

Important Information

On Wednesday your child will bring home their end of year report. We hope that you find the reports informative and personal to your child. With the reports there will be a lot of information regarding the way your child has been assessed. Please take the time to read the information that comes with the report carefully so that you fully understand the information you have been given. If you are unsure about anything then please just ask. We have included a feedback form with the report. It is always good to have feedback on your child's year, positive or negative so that we know what we are doing well and how we can improve things, so please take the time to complete it and return to school.

We hope that you will be able to join us in school on the afternoon of **Thursday 11th July at 2pm** for **Parents Afternoon** so that your children can show you the work that they have done this year.

On the afternoon of Friday 13th July we will be holding our annual Summer Fair. The fair will open at 1.30 and you will be able to collect your children and take them round the fair. Please can we ask that you do not come any earlier than 1.30pm as we need to set up after lunch time. Please can we ask you to keep sending in items for the tombola. We haven't had many as yet but thank you to those who have sent.

Moving Up Morning

As part of our transition arrangements for the new academic year 2019 -2020 we will be holding our moving up morning on Thursday 11th July. The children will spend time with their new class teacher or class mates to allow them all to get to know each other once again. The class teachers for each year group will remain the same as this year.

On Tuesday 9th July, we would also like to invite parents along to meet their child's teacher where there is a **Key Stage change**, again to help smooth the process.

Miss Clark will be holding a meeting for **new Year 3 parents (currently Year 2)** at 9am.

Mrs Claxton will be holding a meeting for **new Year 1 parents (currently reception)** at 3pm.

We do hope that you are able to join us for these to allow you to have all the information you need to get the best for your child.

Key Stage 2 Production

The final preparations are being made for this years KS2 production of Aladdin. KS2 parents should have received a letter about the shows and how to get tickets. We always love our younger friends to come along and watch but please can I stress that they are welcome on the afternoon performance. **The evening performance is for adults and secondary school aged children only.** Thank you for your understanding.

Well done

It is always lovely to share our pupils achievements with you all but this week I am sharing past pupils achievements. Stuart and Chelsea Hudson have been representing Great Britain. Stuart has been at the Under 23's European Para youth games in Finland where he won a bronze medal. And Chelsea has been selected to Represent GB in the Under 19's World Championships in Australia. Sport has been quite difficult for the two of them to access because of their vision but Goal Ball is an area they excel in. It just shows what can be achieved if you put your mind to it. Both of them are working hard in their training in the hope that they will be selected for the 2024 Para Olympic Games.

Congratulations also go to Violet Heseltine who has recently won a silver medal at the Tri Nationals Tournament, representing England. She has also been asked to attend the selection camp for the European Championships.

Well done to them all. We are very proud of their achievements and hope their stories inspire our children to succeed.

Event Information—Field dale Gundogs and Fit 4Dogs are hosting a fun day at Burton Agnes Hall on Saturday 21st July 11-3pm. Sponsorship and raffle prizes required. Please see Claire O'Brien.
