BURTON AGNES C.E. PRIMARY SCHOOL

Friday News

A note from Mrs. Jameson

It may have been a shorter week in school this week due to the bank holiday but the children have been working just as hard and have shown that they are thinking carefully, working hard and demonstrating excellent attitudes to their learning.

There has been a buzz of excitement in Class 1 this week as the children are enjoying learning about life cycles. The children are carefully observing the tadpoles that they have in class and are able to talk about the changes that take place during different life cycles. They are even using vocabulary such as metamorphosis and producing lovely written work to go with it. Well done Henry and Piper for this beautifully presented work.

It was lovely to see so many parents from Class 1 in school today to share our Special Mentions Assembly. Having parents in school is something that we have really missed due to covid and it makes it all the more special when we can share these events with you. Next week it is the turn of Class 2 parents. See the diary dates for the remainder of the dates for this term.

Jubilee Lunch

Today you should have received information regarding our Special Jubilee Lunch that we will be having on Friday 27th May. Although we have already celebrated when the Queen first became Queen we still want to celebrate this occasion with the rest of the country—any excuse for a party! Nafferton school have kindly prepared a jubilee menu which we will have as a picnic. It would be great if everyone joined in the lunch but if you prefer to send pack up your child will still be involved in the picnic celebrations. Please can you let us know what your plans are by Thursday 12th May as we need to inform Nafferton so they can order ingredients.

Year 6 SATs week

Please join us in wishing all our fabulous Year 6 children the best of luck with their SATs next week.

Just do your best and remember the SATs don't measure how much you have grown and developed as a person during your time at Burton Agnes. They are just testing your English and Maths

We are proud of you all for who you are.

If you would like your child to have a drink and keep hydrated throughout the day, please can you send in a named water bottle.

Thank you

Don't forget that breakfast club and paid for after school club can now be booked and paid for using the school money app.

Thank you

You should have received information this week regarding a hockey tournament taking place on Tuesday 17th May at Drifffield School for KS2 pupils. Don't forget to return your slip to school as soon as possible so that we can plan our teams.
