# Friday News

## A note from Mrs. Jameson

---

Happy New Year! I hope that you have managed to have a good Christmas break and that the holiday provided some opportunities for rest and enjoyable family time. It has been wonderful to welcome the children back into school this week and to continue to provide all of our children with high-quality teaching and learning and nurturing care. We are looking forward to everything we can achieve together this term whilst being very aware that the coming weeks could be very challenging due to the high levels of COVID 19 we are experiencing nationally and within our local area. As always, we are keeping our risk assessments and procedures under constant review and will keep you updated about any changes we are required to make. Thank you for your continuing support.

We have an exciting term ahead of us with the children's learning taking place under the whole school theme of 'Our Amazing Planet'. In the next few days we will be sending home the learning overviews for the term. This should all give you a flavour of what the children will be learning about over the coming weeks and how you can support them at home with this. In addition please may we ask that you continue to support your child at home with their learning through regular reading, the completing of homework, learn by heart facts for maths and spellings. We know that this is a big ask of you as home life is busy enough but support at home does make a HUGE difference to how well your child learns.

## A Burton Agnes welcome too.....

---

The new year has brought some new faces to Burton Agnes. We would like to welcome Elijah to Class 3 and Jesse to Class 2. We hope that they will be very happy here with us. We also welcome Mrs Hutchinson to Burton Agnes who is our new catering assistant. A warm welcome also goes to Mr Hawker. Mr Hawker will be carrying out his final year teaching practice in Class Four and will be with us for the majority of the Spring Term.

## After school clubs

---

All of our sporting after school clubs begin again next week ( week beginning 10th January). This term we are offering the key stage 2 pupils cheerleading and dodge-ball on a Monday, and Fiona's sports club on a Tuesday. Reception, year1 and year 2 will be taking part in street dance this half term and cheerleading next half term. We always try to provide the children with a wide variety of activities to choose from during the course of the year to enable them to gain different experiences. If you haven't yet returned your slip to request a place, please do so by Monday.

Don't forget **KS2** clubs finish at **4.30pm** and **Reception and KS1 clubs** finish at the earlier time of **4.15 pm**. Thank you

If you require the paid after school club please complete a booking form and return to the office. **These sessions now finish a 5pm.**
