BURTON AGNES C.E. PRIMARY SCHOOL

Friday News

A Note from Mrs. Jameson

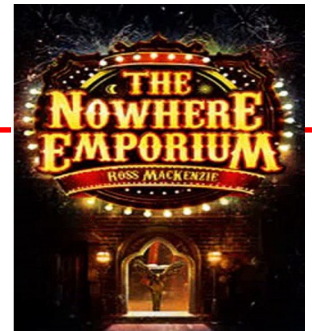

School has been alive with learning this week as children are becoming absorbed in our new learning for this term built around the whole school theme of 'Beyond My Window.'

You should all have received, via email, information about the learning that is taking place across the whole school this term. This information provides you with information about the learning that takes place not only in your child's class but across the whole of the school. If you require any more information, please feel free to get in touch.

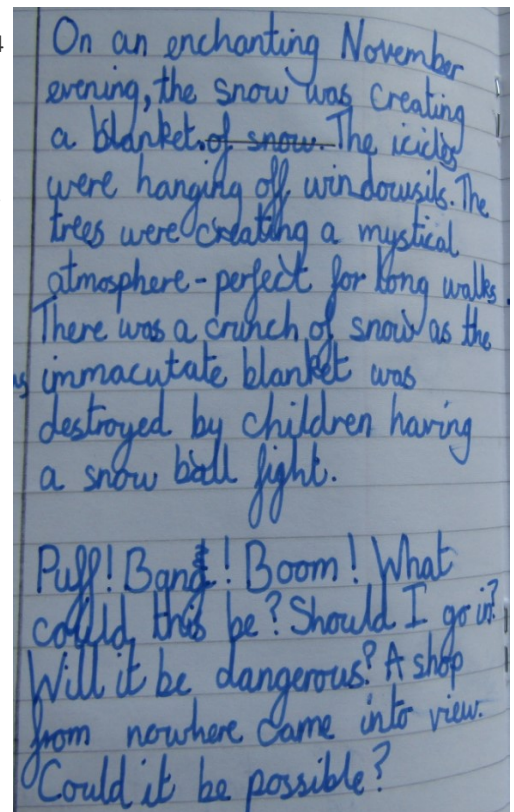

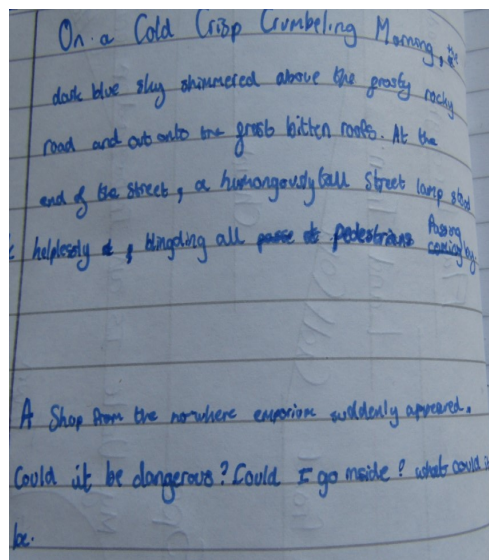

Hooked on Books

From the moment children begin their time at Burton Agnes we place a strong emphasis on the development of reading. By placing great importance on reading we aim for the children to: -

- Have a love of reading that will be lifelong.
- Have the motivation to read for study and for pleasure
- Have excellent phonic knowledge and skills
- Have knowledge of an extensive and rich vocabulary
- Have an excellent comprehension of texts, understanding what they are reading.
- Develop their knowledge through having read a range of rich and varied texts.

It has been lovely to see the children in Class 4 really getting stuck in to their new class novel. In fact they just can't get enough of it! The children are reading *The Nowhere Emporium* by Ross McKenzie, a story all about using your imagination. This book also links with the children's written work and children are producing some sophisticated writing styles.

Fabulous first drafts for Darcy and Isabella.

Sun Safety

It may feel a little early to be discussing safety in the sun given the temperatures we have experienced this week but here is a little reminder about how we can look after our children in school on hot sunny days.

We try our best to keep the children safe from the sun and provide them with shady areas wherever possible. **Putting all day /8 hour sun cream on before your child comes to school and sending them with a hat is definitely the best course of action.**

If you require children to reapply sun cream in school, then please send it in to school in a bottle with their name on (not spray ones please). We are unable to apply the sun cream for your child but will supervise if need be.

We are also happy for your child to wear sun glasses, but again please name them. We can't take any responsibility for loss or breakage.

Piano Lessons in School

We were pleased to be able to welcome back in to school this week Jenny Bray who teaches the children Piano. If you are interested in your child learning to play this instrument please contact Jenny for more details via the information below.. Lessons take place over lunch time.

Jenny Bray
Suzuki Piano Teacher Trainee

Pilgrim Cottage, Priestgate,
Nafferton YO25 4LR

Please can we ask that you refrain from dropping your children off on the zig zags outside school. They are there to keep us all safe. Thank you

Don't forget that we still have many Covid restrictions in place. Please observe them over the weekend and keep our school community safe.

Have a lovely weekend
