2018

A Note from Mrs Jameson

Our week started with great excitement on Monday and World Book Day was a great success. It was wonderful to see the characters from so many well-loved books in the classrooms, corridors and playgrounds of Burton Agnes School. At Burton Agnes we treat World Book Day as a celebration – a celebration of authors, illustrators, books and, most importantly, reading. Dressing up as a character from a book is one way that we make this day really stand out from other days in the school year and we very much appreciate the support you provide in allowing this to happen. The children all looked amazing.

British Science Week 2018

Today we launched our first activity day to celebrate British Science Week with a visit from 'Science Boffins'. Science is a high profile subject in our school and features in our curriculum throughout the year. We celebrate science week to give it an extra profile so children can understand that science is relevant and important to their lives, now and in the future. Hopefully today's exciting activities are just the start of a science filled week and will have inspired the children to ask questions about science at home too. Don't forget to join us on Friday for our Science open day. If you haven't already, please return the slip that was sent home yesterday so that we know when you will be coming.

Book Fair

Our School Book fair will open on Tuesday at 3 o'clock in the ICT suite and it will be open on Thursday morning at tiddlers and throughout the day on Friday for Open Day. Please come along and support this if you can as school gets commission for anything sold which we will use to buy new books for the children in school.

Carlton Lodge Countdown.....

As time is moving on we have worked out that we have only 10 school weeks before the children in Class 4 go off on their residential to Carlton Lodge near Thirsk. All children taking part should have been issued with a savings card. Please can we ask that you start making your payments with your savings card on a **Tuesday** morning. It is up to you how much you would like to pay at a time but we need to have the balance paid by Friday 25th May. (half term). Thank you.

Breakfast Club

We are really delighted that breakfast club is so busy. The demand for this service has really increased since September. Because of this we need to ensure that **all children are booked in for their sessions** as this has an impact on our staffing ratios. Please don't just turn up and expect a place will be available. Thank you.

Year 6 Mother's Day Lunch

It was lovely to see mums (and Grand-mas) in school yesterday for our Year 6 Mothers Day lunch. We really hope that those mums who were able to attend were made to feel very special by their children. We have had some lovely feedback about this activity from parents and children. A huge than you to Mrs Thompson and the catering team who worked extra hard to make this event a success.

Easter Events

Just a little reminder about our Easter activities for the last week of term. On Monday 19th March we will be having a non-uniform day. Children can wear what they want in return for a donation of an Easter egg for our egg tombola. This has always been well supported and raises money for school funds which is spent on your children. With this term being such a short one we have decided to change how we run our Easter activities. This year everything will happen on Friday 23rd March, making the last day of term our Easter Eggstravaganza. On this day children can bring to school an Easter Bonnet they have made at home which they will wear in church. They will do their egg rolling and egg decorating in school in the morning. Please join us at 1.30 in church for our Easter Service and for our egg tombola back at school after the service.

Dates For Diaries

Monday 26th February	Zoo Lab visits Class 1 and 3
Thursday 1st March	World Book Day
	Class 4 play maker Awards pm
	FOBAS disco
Monday 12th March	Book Fair
