A note from Mrs. Jameson

Welcome to another school year at Burton Agnes. The summer holidays seem a blur now but I do hope that you all had a lovely time and got some precious family time together and enjoyed the glorious weather we all experienced.

I am really looking forward to an exciting year ahead of us and look forward to working in partnership with you all to ensure that we give the children the very best education and experiences. Thank you all so much for helping us to have a smooth start to the new school year.

School has been a buzz with activity this week, with all children busy with their learning and getting stuck in to new topics. It's lovely to see how engaged they all are and how quickly our fabulous children have settled in to their new classes.

This week we have also welcomed back to Burton Agnes Mrs Hartley who is working in class 3 until Mrs Grainger returns from her maternity leave. We hope that she will be very happy here. Congratulation go to Miss B who got married over the summer and is now Mrs Loggie.

Over the Summer the teachers have been busy planning exciting learning for your children. Our whole school theme for the term is 'Heroes and Villians. We have attached to this week's newsletter a copy of this term's curriculum overview so you can see what your children will be learning about this term and how you can support this learning at home.

Her Majesty Queen Elizabeth II

We are all saddened to hear the sad news that Queen Elizabeth II has passed away. She was a remarkable lady who served her country with dignity, loyalty and grace. She has been a comforting presence in the lives of us all. Today we gathered as a school to celebrate the her life and thank her for the service she has given her country during her time as Queen.

Thursday 3rd November	Individual school photos
Friday 18th November	Children in Need Day
Friday 2nd December	Christmas Fair TBC
Friday 16th December	Carol Service at St Martin's Church 2pm
	End of term

Hot Dinner Menu

You should all have received copies of the school menu for this term. The menu can also be found on the school dinners section of the school website. Don't forget that all hot meals for children in reception, class 1 and class 2 are free.

After School Sports Clubs

Don't forget after school clubs start next week. Please help us out by ensuring your child has their PE kit in school and that they are picked up promptly. We will send your child home in their PE kit at the end of the club.

Collections at the end of the day.

For safeguarding reasons it is really important that you let us know if it will be someone different to you collecting your child at the end of the school day. If circumstances change then please call the school office. Thank you.

Names in clothes

We are only at the end of week 1 and we already have jumpers and cardigans that we cannot return to their owners because they have no name in them. Please can you ensure over the weekend that all of your child's clothes—including shoes, are named and please check over the course of the year that the names are still in their clothes as they do wash off. Thank you.

Important Information Packs

Your child should have brought home with them today a pack of information that requires your attention. These packs contain important information that we need to have in school. Please can you ensure you have looked at these, completed all of the forms and returned them to school by **Tuesday** so we have the most up to date information in school to help keep your children safe. Unfortunately due to technical issues we were unable to send out the old data sheets for you to update so you will need to fully complete the forms. Many thanks

Special Mention Assemblies

Most Friday afternoons at Burton Agnes the whole school comes together for a special celebration assembly. The children receive awards for good work, stickers for outstanding behaviour and we award a pupil of the week trophy to a child who has shone that week. Children are also welcome to bring in certificates they may have achieved at out of school activities such as swimming. Parents are welcome to join us for these. Currently, due to volume of children we have in school, we will continue to offer these a class at a time with a view to reviewing the uptake and hopefully inviting you per key stage so you will be able to attend fortnightly. In the past we have filmed via teams but due to the reliability of our network we will not be doing this any more. Please check the diary dates on the news letter to see when you can attend. Please come to the front door.

Parents Evening Survey

Many thanks if you have already completed the online parents evening survey we sent out yesterday. It only takes seconds to complete but will help us enormously with our planning.

Brass lessons

Brass lessons for children in KS2 resume on Wednesday. If your child is in Class 3 or 4 and is interested in playing a brass instrument please let us know so that they can have a little try on Wednesday.

Swimming lessons

Swimming lessons begin on Wednesday for all children in class 3 and 4. Please don't forget your swimming kit.

PE Kits

Please can you ensure your child has full PE kit in school on the following days. When the weather gets colder we encourage you to send in sweatshirts and joggers as the children do go outside.

Class 1 and 2—Monday and Thursday

Class 3 and 4—Monday and swimming kits Wednesday

Help

Empty toilet roll tubes and clean tights of any size would be welcomed in school for an art project. Send to Mrs Kemp in Class 4. Thanks

Have a lovely weekend
