BURTON AGNES CE PRIMARY SCHOOL

Friday News

A Note from Mrs. Jameson

It was a real sense of occasion this morning as the whole school came together for the first time since March 2020 to celebrate Sports Day. Whilst we were disappointed that we were not able to accommodate parents this year, we ensured that the children had a great time whilst staying safe in their class bubbles.

The atmosphere was electric as the children cheered and supported one and other to be the best that they could be. Guts, perseverance, skill and determination were all on show as the children worked hard in the warm sunshine. Congratulations go to St John who were this year's Sports Day Champions. We are busy uploading videos and photographs to share with you via the website and we will inform you when these are available to view.

Meet the teacher

This afternoon some of our pupils who will be moving to a new class next year met their new teacher. The children in Reception spent time chatting with Mrs Claxton, the current year 2 children spend time with Mrs Grainger learning about life in Year 3 and the current Year 4 children had a chat with Mrs Kemp about the expectations of year 5. If you would like to chat with your child's new teacher at all, please feel free to contact them. We will be sending you some more information next week.

Parents Afternoons

What a pleasure it was to see parents in school (outside) this week, spending time looking at their children's learning. The feedback we have had from both children and parents has been extremely positive. Many thanks to everyone who was able to join us. We look forward to welcoming families from Class 4 and Class 1 next week.

Class 1 and 2 visit to Burton Agnes Hall

On Tuesday the children in Class 1 and Class 2 had a day out at Burton Agnes Hall. Despite a wet walk back to school the children had an amazing time. They spent time looking at the inspiring artwork around the hall and then took inspiration and spent time sketch-

ing flowers that they found in the gardens, linking to the art work we are doing back at school. The children then relaxed by enjoying the great play ground. Many thanks to all of the staff and to Burton Agnes Hall, who kindly shared their beautiful house and gardens with us.

Don't forget to stay safe over the weekend. Covid cases are on the rise again. Please have a plan in place in case we have to close bubbles before the end of term.

Good luck to the England football team. I am sure there will be a few tired children on Monday morning!
