#### Sports day refreshments

All agreed it was successful last year and will run again. Discussed running a 50:50 raffle on the day (half the money raised goes to school and the other half is the prize).

Sponsored run - Proposed date Tue 17 June.

Sarah will contact Clive to book the field/clubhouse, and try to locate a fruit donation. Christina has Lanyards & Medals. Check if school have stamps we can use. To check back on the Whatsapp group to see who did the posters and letters.

On the day we need volunteers to mark the course, serve refreshments and stamp/sticker lanyards. We need to ask for volunteers in the WhatsApp group and if not ask the wider school.

## **Spending**

Groundwork for the garden project is complete and looks good. Mrs J has received a £9k grant which will cover the cost of planters, equipment etc. Sarah to ask Mrs J if the students (maybe school council) could write thank you letters for the donations we received.

FOBAS have paid school £500 for the new playground equipment. We will ask for a photo to go in the summary of what we've spent.

Bank balance £1.7k which will cover the panto trip. Mrs J to consider what FOBAS can fund (anything for the summer term?).
