Autumn Term

School disco (20th Nov) - Well supported and lots of volunteers. At the next event need to ensure we track attendance/payment carefully. People have selected 'BACS' on the slip but don't appear to have paid.

Panto - All paid. £1,416 for tickets/ice-creams. £500 for buses. Lions donations of £1,200 made a big contribution.

Events

Spring Term

Valentines Raffle

All agreed it worked well previously and was a relatively easy way to raise funds at a quiet time of year. Emma to pull together the valentines hampers like last year (2 or 3 prizes). Amy offered to sell tickets after school via the WhatsApp £1 per strip. Sarah has the raffle books.

Laura offered a Squishmallow for a 'name the bear' to run alongside the raffle. Christina will make a squares board. Teddy and board to sit in reception. £1 per square.

Candy Kingdom

Hoping to run this half term. Lucy to confirm a date then we can advertise.

Easter bingo - 2 April

Christina confirmed Arthur will call out. Sarah to check if we can borrow a bingo machine which has a screen (so people can see the numbers on a screen if they cant hear).

Summer Term

Summer Draw

Sarah has shared a letter to ask for donations. Looking to start collecting sizeable prizes throughout this term. To set up a separate WhatsApp group to keep track of where we have sent letters to.

Raffle books need to be sourced/ordered. To confirm next half term.

Sports day refreshments

Sponsored run - to contact Clive re booking the field

Other fundraising

Harpham & Lowthorpe Parish Council - £400 will be donated in April to go towards books and sports equipment.

Asda cashpot raised over £100. Should be transferred this term.

Easyfundraising is set up and needs to be shared with the school. Mrs J confirmed she will also look to use when buying in school.

Discussed for any larger projects/equipment local business will likely support/donate. Andy Smith suggested a letter was sent to his workplace and Laura has some businesses she would suggest to approach.
