

22nd September
2017

A note from Mrs Jameson

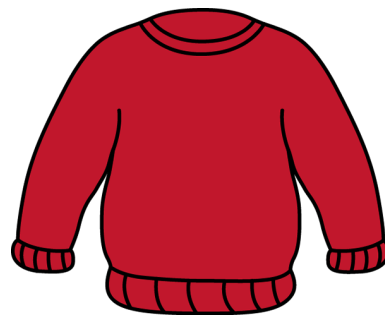

Many thanks to you all your patience and understanding when we were forced to close school yesterday. It amazes me that we have had a six week holiday and its now that Northern Electric plan major maintenance work. I have informed them of the impact that it has had on our school community and look forward to their response!

September is flying by at a rate of knots and in a couple of weeks time we will be hoping that you will be able to join us in Church for our Harvest Festival. For those parents new to the school, this takes place at St Martins Church in Burton Agnes. The children come together to celebrate this Christian Festival and thank God for the food we have through songs , stories and rhymes. We also ask for contributions of food that we share out to the elderly people in our community. We have given great thought to giving the food to the Food Bank this year but every year we get the loveliest letters of thanks from the recipients who really do appreciate the contact they have with the school. We would therefore appreciate any contributions of tinned and packet foods, biscuits etc. If you wish to send in fresh produce such as vegetables please can we have those on Thursday 5th October.

Please join us at 2pm at St Martins on Friday 6th October.

Lost!!!!

Please can we ask that all uniform is clearly labelled to ensure any lost uniform can be returned to the correct person. It's an impossible task if it's not. Thank you

Contact details

Don't forget to contact the school office if your contact details change at all during the course of the year.

Burton Agnes CE Primary School

New Shoes?

If anyone has any unwanted shoe boxes, please send them in to school. We need them for Harvest and for our Shoebox appeal which we will be sending information out about very shortly.

Home time arrangements

In the interests of safeguarding your children, please could we ask that ,if someone other than yourselves is picking up your child from school at the end of the day, you let the school office know. If we haven't had permission from you and the person is not known to school we will contact you to check this arrangement . Rather than causing offence to the person picking up or inconveniencing yourself with a phone call from school it would be easier all round if you just let us know. Similarly if your child travels on the bus but does not require it because they are being picked up by a family member, please let us know. Thank you.

Help us to help others

As a school we work hard to support a variety of charities that are close to our hearts. This month we will be holding our annual McMillian Coffee on Thursday 28th September at 9am. We would be very grateful for donations of cakes, buns and biscuits. All money will go to MacMillian Cancer support. We hope you can join us.
