BURTON AGNES CE PRIMARY SCHOOL

Friday News

## A note from Mrs Jameson

Welcome back and welcome to the first newsletter of the new school year. It has been a busy start to the school term with all the children already settling in and getting on with the job in hand. I have enjoyed catching up with the children and finding out what they have been getting up to over the summer holidays.

A very special welcome to all our new children and their families. We hope that they will be very happy here at Burton Agnes. They already look like they have been here forever! We also welcome two new members of staff to our fantastic team at Burton Agnes, Mrs Owen, who will be supporting learners in Class 4 and Mrs Scarlett who will be supporting learners in Class 2. We hope they will enjoy being part of our special little school.

A big thank you to you all for sending your children to school looking so smart in their school uniforms. If you haven't yet done so, please could you make sure that names are in your child's clothes. Its hard to return missing property without them in.

We are really looking forward to an exciting year ahead of us and look forward to working in partnership with you all to ensure that we give the children the very best education and experiences. Working in partnership with parents is a vital ingredient to the success of our children. Remember we are always around to chat to you and help you in any way we can.

## Us Kids Can

You should have received a flyer this week about the Us Kids Can project that is starting in school on Monday after school. Until 4.30 pm Many of you showed an interest in this when

Paul Peacock was promoting it at

our Summer Fair. The programme lasts for 9 weeks and is all about getting you and your children working together to adopt more healthy lifestyles. The sessions will be fun and enjoyable looking at healthy eating and being active aiming to improve your families general well being. Please can you let school know if you are coming. We look forward to seeing you on Monday after school.

## Learning letter

As a school we aim to keep you informed about the learning that will be taking place in school. Attached to today's newsletter is some information regarding the learning that will take place in each class this term. If you are able to support this learning by bringing in to school resources, which we will take great care of, or if you have any expertise in this area and can help please let us know. Please take the time to read what your child will be learning about this term and how you can help to support this. Thank you

## Diary Dates

Please find attached to today's newsletter a list of dates for the school year. Please be aware that whilst we will endeavour to stick to the published dates it may be necessary to change them closer to the time. We will always keep you updated via the diary section on the newsletter so please check it regularly.

## After School Clubs

Don't forget after school clubs start next week. On Monday it is Streetdance for KS2, Tuesday it is Mrs Tuplin's sports club for Year 2 upwards and on Thursday it is Streetdance for Reception and KS1. Please help us out by ensuring your child has their PE kit and they are picked up promptly. Thank you

## Dinner Money

Please can we request that dinner money comes in to school on a MONDAY morning in a named envelope. This will help the School Office enormously. Please note you can pay weekly, half termly or termly. Thank you.
