

Alumni.

Were you an ex Burton Borough student?

We would love to hear from you!

We are currently setting up Burton Borough School Alumni, to develop and foster lifelong relationships between the school and its past pupils and staff, in order to support the life and future of the school. We plan to do this through a variety of ways including events, communications, fundraising and volunteering opportunities.

No matter when you left the school, you always remain a part of our community. If you would like to join our alumni, please complete the [Alumni application form](#).
