

# Post 16 Provider Information.

We would advise all students to research all providers before making a choice. We usually invite Providers into school to share information with students via assemblies. However, with the current COVID restrictions this is not possible. The links below provide families quick and easy access to provider websites.

## Top Tips:

1. Research as many providers as possible
2. Enrol on virtual events such as open evenings, post 16 option talks etc.
3. Apply for more than one provider (you need a back-up plan!)
4. Apply early, popular courses soon fill up!
5. Use START Profile to help you, if you have not decided what you want to do when you leave BBS.
6. If you need additional support, see Mrs Kane in the business office. <https://app.startprofile.com/what-to-study/post-16>

## Not sure how you can support your son or daughter?

It can be a difficult time for families to ensure their son / daughter makes the right choice whilst allowing them to make their own informed decisions.

Advice for Parents and Carers can be found here:

<https://www.ucas.com/further-education/post-16-finance-and-support/parents-and-carers>

Prospectuses and Applications can be found via individual provider websites.

We usually hold an annual careers fair in the Autumn Term, but this can not happen this year, due to COVID restrictions.

Some Providers may send us presentations or links to videos to share with you. We will add these to this section, so remember to check back in regularly.

Most open events are happening virtually this year, remember to check the notices for updates.
