

At Burton Borough School we believe that students should feel comfortable and look smart when participating in Physical Education (PE) and School Sport.

Students have a core kit that is compulsory for lessons. Alongside this we also have optional sportswear available to purchase. Please note that no other outer layer items are allowed for lessons. If students wish to wear base layers, these must be plain navy blue or black.

All kit is purchased directly from Newport Sports, Newport or Baker & Son, Wellington.

Please order through the following websites:

Newport Sports: <https://newportsports.co.uk/product-category/schools/burton-borough-school>

All students will require white socks for lessons. We do not stipulate where these need to be purchased from.

Football Shirts

We would like to offer all student who **train / are planning to train** for extracurricular **Football** or **represent the school** for any football team the chance to buy a shirt.

The Football Shirt will be worn for the school's fixtures / tournaments, against other schools.

Additionally, this shirt can be worn in all Physical Education lessons at school in addition to the Physical Education polo shirt.

The shirts will have the Burton Borough School logo embroidered onto the front and the student's surnames printed on the back.

Please do not ask for a number to be printed on the back as we do not wish to have students with the same numbers.

Please note that students are **not expected** to buy the shirt. If students are asked to represent the school, that do not have a shirt, they will be issued with one for that fixture.

Please also note that purchasing the additional football shirt does not guarantee that the student will represent the school.

The shirts are **purchased directly from Newport Sports**.
