Dear Families,

Re.: Distribution error

It has come to my attention that a flyer from a company called Exemplar Education has been distributed by the school to some students. This is an internal error and not something that I had authorised. We do not have any affiliation with Exemplar Education or endorse them in any way as a school.

Please accept my apologies for this error. Any slips that students have brought in with details will be shredded and destroyed accordingly.

Yours sincerely,

Christine Raymont-Hall
Principal
