

3rd November 2022

Dear Parents/Carers,

Re: **Vacancies for parent school governors**

Do you have the time, enthusiasm, and expertise to help shape the future of our young people at Burton Borough School? If so, we would be very interested in you becoming a school governor.

This is a challenging but hugely rewarding role and will give you an opportunity to make a real difference to the school, its young people and our local community.

There are no qualifications required to become a governor and you need have no detailed understanding of the education system just the necessary skills, character, and time to contribute. You may have experience of finance, human resources, legal, marketing, public relations, property and estate management and organisational change but most critically your desire to support and challenge the school in moving forward are the most important requirements.

If you have an interest in:

1. Holding the school to account for its performance
2. Helping determine the school's strategic direction
3. Ensuring the school's resources are well managed

we would be very interested in hearing from you.

Nomination and election papers will be forwarded in a couple of weeks. In the meantime, we will be holding an informal opportunity to help you find out more about the role and answer any questions you may have on Wednesday 9th November between 5.00pm and 6.00pm.

If you would like to book a place for this event, or for any reason find it difficult to get to us on the 9th November but would still like an informal chat at another time, please contact the clerk to the governors Mrs Sue Wycherley at bbs.clerk@taw.org.uk

I look forward to meeting you.

Yours faithfully

John Sullivan
Chair of Governors
