

18<sup>th</sup> December 2019

Dear Families

### Key Stage 4 Transition Evening

I am writing to invite you and your child to our Key Stage 4 Transition Evening which will take place on Tuesday 14<sup>th</sup> January 2019 from 6.00pm to 8.00pm in our School Hall.

The evening will begin with a talk about our 2020 Key Stage 4 Curriculum, outlining the process for submitting subject preferences for next year. We will then move to the main learning block where you and your child will be able to go into different classrooms to speak to teachers and students from different subject areas to find out more about the courses that are being offered. Even though your child has already chosen their History or Geography option and commenced this GCSE course in year 9, our Geography and History teachers will be available to talk to you about field trips and enrichment opportunities. The English, Maths, RE and Science departments will also be available for you to talk to, should you have any subject-specific queries about these core subjects. We will also have a wellbeing area and a careers advisor on hand who can offer further advice.

Please note that this is not an evening where you can have discussions about your child's progress as these discussions should be taking place at the Year 9 parents' evening on Wednesday 8<sup>th</sup> January. Please return the form below to Miss Dungey in the Business Office by Wednesday 8<sup>th</sup> January or return via email directly to sarah.dungey@taw.org.uk. Please do not hesitate to contact me if you have further queries.

Yours sincerely,

Mr H Chandler  
Head of Aqualate School
