The catering provision is provided in house by our own catering team. This gives us the opportunity to provide best practice and pricing for our catering. We can provide functions on request and have policies in place for the provision of special diet requirements.

We aim to link into school curriculum to work together as one school. Look out for our theme days & events, special offers and upto date information on our twitter page and on the advertising posters around the school.

Any questions you may have you can contact the catering department direct on kitchen.bbs@taw.org.uk or 01952 386509
