A Culture of Community

High Expectations

We have high expectations because:

-  Every **student** matters.
-  **Learning** matters.
Everyone deserves an environment where they can **achieve** their best.
-  It enables **teachers** and **support staff** to teach and support your learning.

Quality of Education

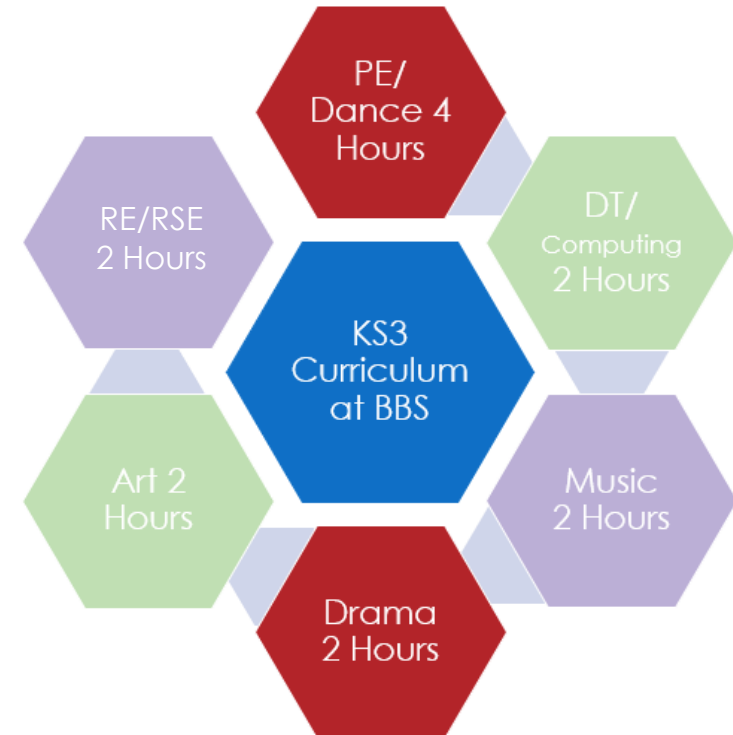

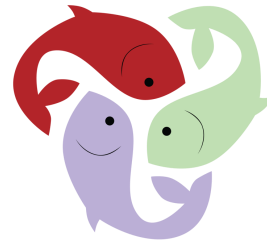

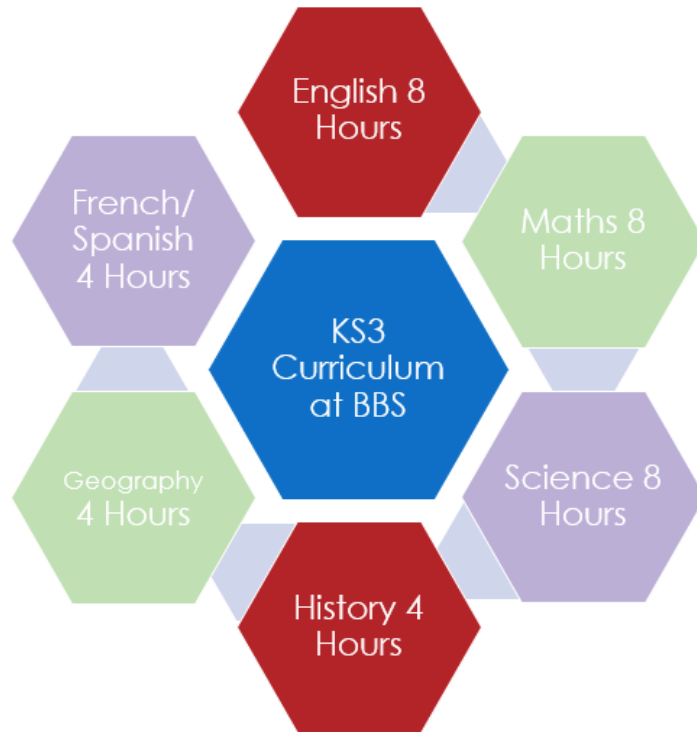

We believe that every child has the potential to **succeed**, and we strive to create an environment that **nurtures** and supports this **potential**.

At BBS, we place a strong emphasis on **learning** and getting a **good education**. We believe that **education** is the **key** to unlocking a **world of opportunities** and **possibilities** for our students.

Key Stage 3 Education

At **Key Stage 3** our students are offered a **breadth of subjects** to allow them to explore their **academic strengths** and **talents**. We believe we offer an **inclusive education** where our students are encouraged to **succeed** are reach their **full potential**.

Safeguarding at BBS

As a school, we pride ourselves on the **pastoral care** and **positive relationships** that we have with our **students**.

It is common for secondary school students to face **personal challenges** throughout their **teenage years**.

We have a **highly experienced** team of staff who are here to **support** them.

We are your **extended family** – and we are here to **support you**.

**The Safety And Wellbeing Of
Our Students Is Our Priority**

SEND & Inclusion at BBS

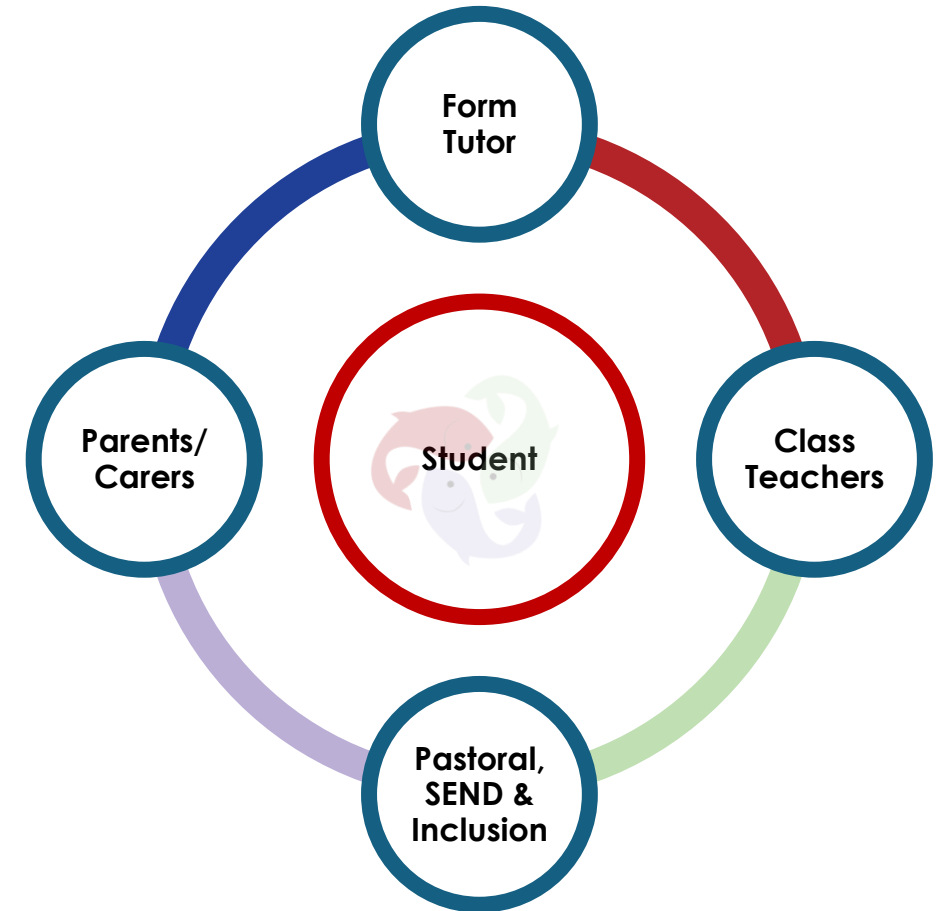

Caring for your child is our **collective responsibility**. Your child will have **great teaching**, provided by **trusted adults**, with whom they have **excellent relationships**.

We are **ambitious** for all our students – providing them with the knowledge, skills and habits needed to **thrive**, at school and **beyond**.

We are **proud** of our **Graduated Response** to the ever-changing needs of our students. **Identification** is timely, **interventions** are evidence-based, and **impact** is measurable.

Communication between staff, with parents, and to students, is **frequent** and **high-quality**. **Co-production** is the **key** to **success**!

Various **safe spaces** are available for children, both to **emotionally regulate** and **academically achieve**.

Personal Development

Personal Development is about the **wider development** of students both **in lessons** and via the vast **range of enrichment** that takes place **beyond the classroom**.

We believe strongly that the **ethos of our school** – being **AMBITIOUS**, **PROUD** and **CARING** allows our students to develop the character traits required to be responsible and successful citizens throughout their lives.

House system:

Our House system will allow students to get involved in the **Burton Borough community** through the **house charity**, which will be decided by students, and through **challenges** and inter house competitions.

Our houses will compete in events within our school and local community and are a great way to develop **confidence** and **leadership skills**.

Our houses are **Chetwynd**, **Hawkstone** and **Aqualate**, you will have received notification of the house your child is a member of, and we differentiate by **colour of tie**.

Personal Development

Student Leadership Team

Here at Burton Borough, we feel it is both **empowering** and **inclusive** to have an active **Student Leadership Team** within our school.

This gives students the opportunity to have a **voice** in the **decision-making process** and enables them to develop **vital skills** for the future.

The **House Student Leadership team** and the **current school council** are evolving into **active** and **empowered** representatives of our school.

Goal Setting

As part of our **weekly tutor time** students have the opportunity to reflect on the **successes** of the previous week and identify areas, they wish to improve on through setting themselves **goals**. These are based on our **character virtues** students a regular time when they can reflect and plan for **future success**.

Rewards at BBS

At BBS, we have identified **6-character virtues** linked to our values of being **AMBITIOUS**, **PROUD** and **CARING**. We believe these are essential to the future success of our students. The character virtues decided on by our school community are **Resilience**, **Motivated**, **Leadership**, **Respectful**, **Teamwork** and **Kindness**.

RECOGNITION POINTS

Students receive **recognition points** in the last **5 minutes of every lesson** for displaying these virtues. We know that if we **praise** what we want students to repeat then this will become **habitual**, creating **successful** and **inspiring young citizens**.

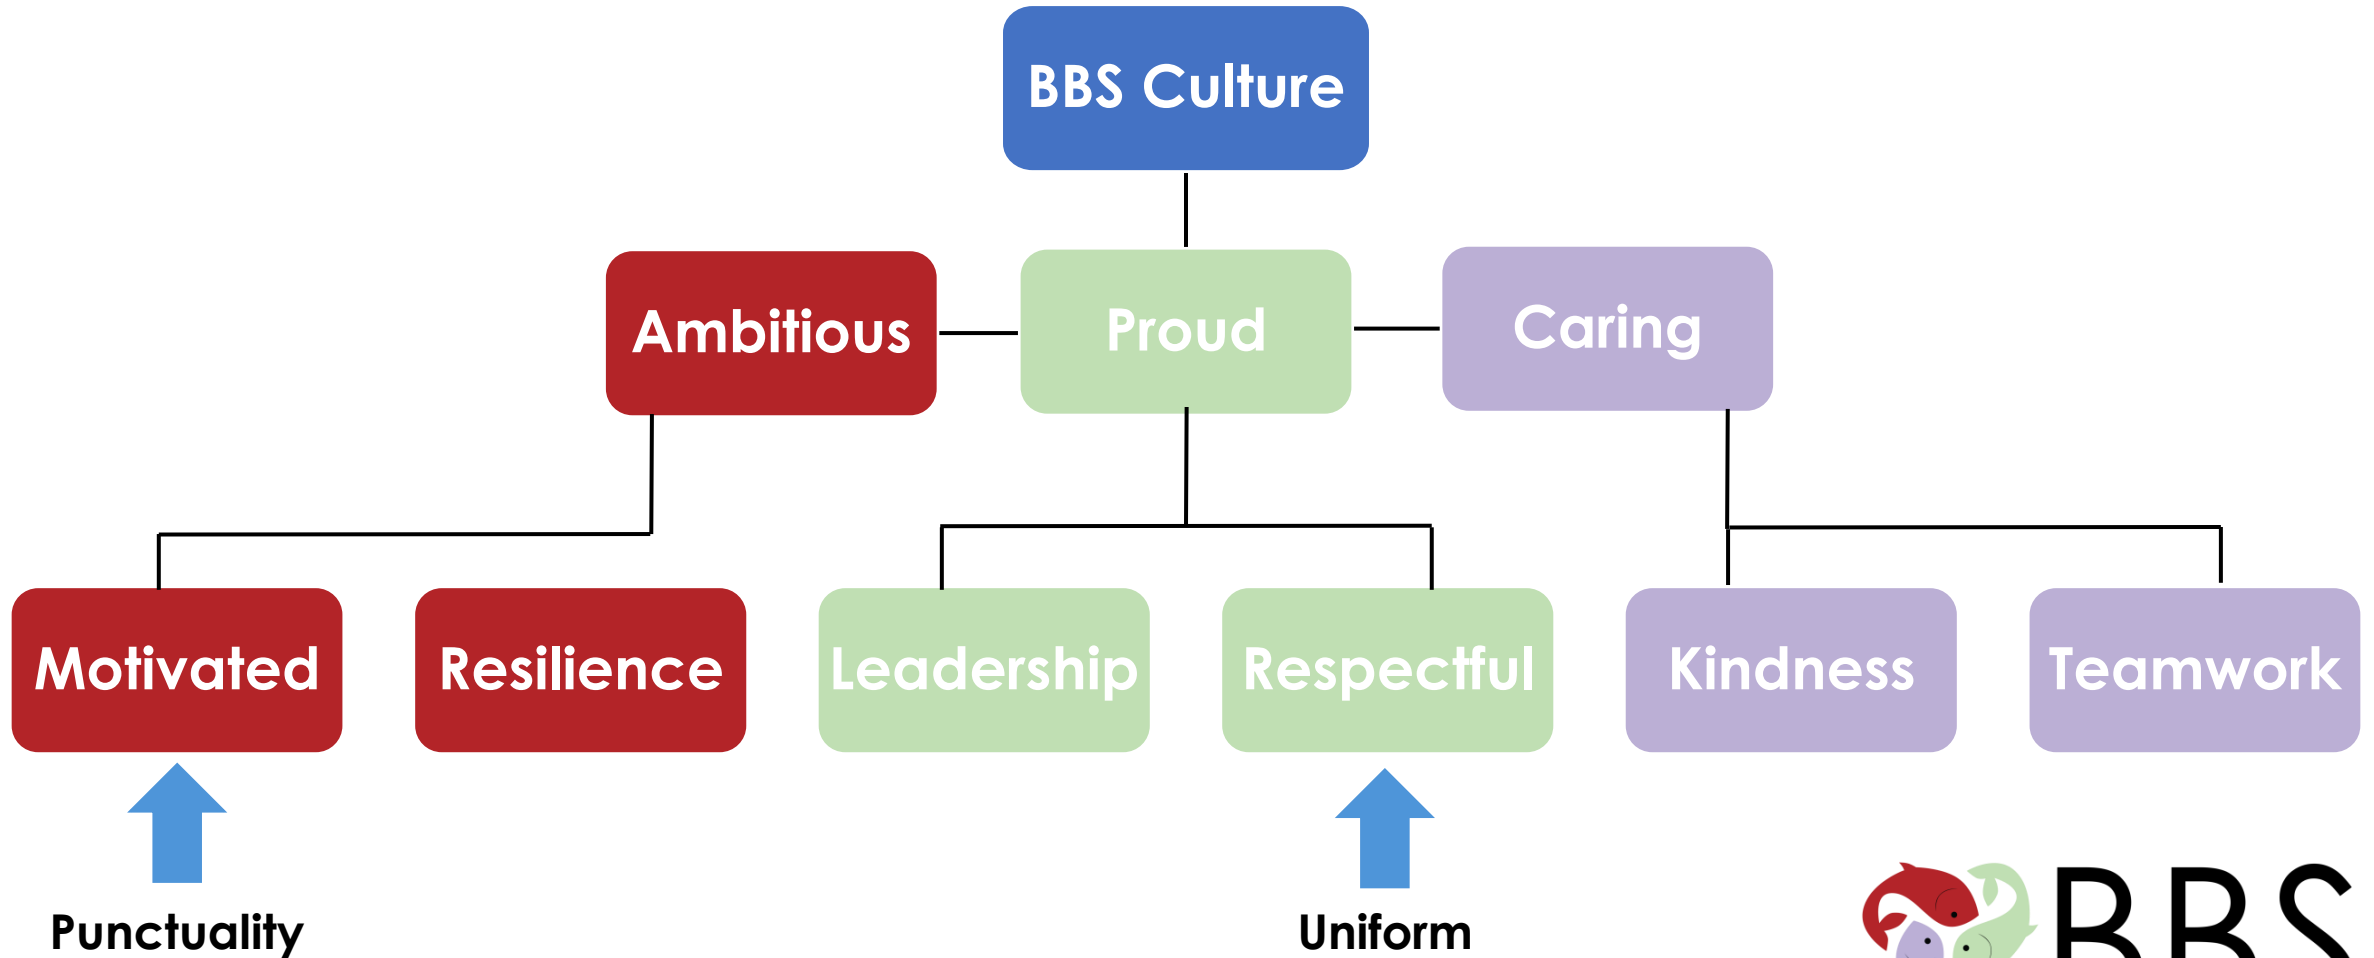

WEEKLY

Students will be **reflecting** on their **character virtues** and setting **goals** in form time. Year group teams will be **celebrating successes** in assemblies. Parents will be able to see the **virtues** awarded to their child on **MCAS**.

TERMLY & END OF YEAR

Students will be **rewarded** in assemblies with **certificates** and **prizes**, **End of Year celebration**. Students have been **voting on** what they would like to be **rewarded** with.

Transition Booklet & Video

We have recently sent you our **transition booklet** and secondary transition **introductory video**.

Using the booklet, your child will be able to **communicate with their tutor** about themselves and begin their **academic journey** through the **subject specific challenges**.

Please **encourage** your child to return their **completed booklet** to their tutor in **September** so they can receive the **recognition points** they have worked so hard to earn.

Our Year 7 Team

Key Staff for Year 7 Students

Mrs Heins is the **Assistant Headteacher** responsible for **transition** and **year 7**. She works very closely with **Mrs Edge** and **Mrs Walker** to ensure that the Year 7 pupils are well **supported** to be their **best**.

Mrs Edge is the **Head of Year 7**. Her role is to work with **Mrs Heins** and **Mrs Walker**, to ensure that your child **engages** in all the **opportunities** we have here at BBS, **settles in** and **enjoys learning**. She supports students throughout their transition and **first year** at Burton Borough.

Mrs Walker is the **Assistant Head of Year 7**. She works alongside **Mrs Edge** and has a specific responsibility for **attendance**. Our students really love **Mrs Edge** and **Mrs Walker**, and they know that if they have anything to talk about, they are both there to **support** and **listen**.
