Dear Families

Our work experience visits for Year 10 students have been very successful, with lots of positive comments from the employers. I am sure that our students valued the opportunity to be in a work environment over the last two weeks and now have a much better understanding of the skills and knowledge required in various professions and businesses.

Our school trip to India departed on Wednesday and I am sure that students will have a fantastic time visiting the many cultural and historical sites whilst they are there. Our staff have organised a fantastic range of curriculum enrichment opportunities during the academic year, and I would like to pass on my thanks to colleagues who give up their valuable time to support our students.

Finally, I would like to pass on my thanks and gratitude for all the support shown to me by students, staff and families over the last two terms. I have felt very much welcomed and enjoyed my time serving the Burton Borough School community. I wish all our staff, students, and families the very best for the future.

Have a restful and enjoyable holiday period.

Sports Day – Year 9s

Sports Day Continued...

Last week on Friday 12th we hosted our annual sports day. For this we run year groups events in the morning. Period 1 was year 7, period 2 was year 8 and period 3 was for the year 9 students. After calculating the results, the students are notified of the afternoon schedule, which involves the finals of the track events. The day ran smoothly and was a huge success all three small schools (Aqualate, Chetwynd, and Hawkstone) battled it out throughout the day and the competitiveness and also sportsmanship on display was wonderful to see from all students. They enjoyed cheering on their friends and their small school. Congratulations to all involved but a special mention to Hawkstone who were the eventual winners on the day! We would also like to thank all the staff that gave up their time to help and make the event such a success. Finally, a huge thank you to Mrs Robson who was the chief organiser of the day.

Newport Show 2024

Five of our wonderful singers performed at Newport Show on Saturday. They were fantastic and drew quite a crowd! Well done to:

Christabelle Kuren, Poppy Greenaway, Alice George, and Ava C Williams.

Newport Show Display

Here are some pictures of the BBS display in the school's tent at Newport Show last Saturday. There were some wonderful examples of artwork, photography and National Enterprise work on display!

Future Skills Programme

On Tuesday Mrs Kane and Mrs Bailey took 29 of our Year 8 students to Wolverhampton University. This was the last session of a Metacognition and Future Skills Programme lead by 'Aspire to HE'. Everyone had a great time and were presented with certificates and goodie bags at the end of the session. Well done everyone. At the end of the day, the lead presenter commented that "your students had been one of largest groups we have housed, but also one of the best-behaved groups they had ever had". Thank you to all the students for being such great ambassadors for the school.

EEL Day

On Thursday last week BBS ran an EEL Day. Year 7s visited Weston Park and Year 8s had a full tour of Harper Adams University. The Year 9s had a packed day with workshops lead by Loudmouth, RAF Cosford, The NHS. It was a great success. Can we please say a huge thank you to Mrs Kane and The Year 7 team for all the hard work they put in to organising the day!
