Friday 19 <sup>th</sup> July 2024	Last Day of Summer Term	Whole School	

Dear Families,

I would like to start by wishing our Year 10 students all the best as they go out into our community over the next two weeks to complete their work experience. A huge amount of administration goes into making this happen and I'd like to thank Lisa Kane and her team for making it so successful year on year.

The PE department are busily organising a sports day of competition and fun activities for all students on Friday 12<sup>th</sup> July. Students must wear their school PE kit and are advised to bring plenty of water and suncream as they will be outside for large parts of the day.

Details about the arrangements for our final school day (19 July) will be sent to families shortly.

Have a great weekend.

Mr Kelay  
Acting Principal

## Year 11 Prom

## Library Awards

### Summer Term Library Awards:

Congratulations to the recipients of the Summer Term Library Awards hosted by our Librarian, Miss Love. Miss Love put on some drinks and snacks as a treat for these fabulous students. Awards were given linked to our school virtues such as the Matilda award for Motivation and the Frodo award for Resilience. Miss Love also awarded the top readers in KS3 and our Y10 Reading Partners who have been supporting our Y7 and Y8 readers all year to improve their reading ages. We are so proud of them all! Well done!

### Pinhole Questions

- Explain how a pinhole camera works?
- Why is it called a pinhole camera?
- How are photos taken with a pin hole camera different from today?
- Why does the image appear inverted?
- Why is the image in our eye not inverted?
- Name one way the pinhole camera is the same as today?
- Name one way the pinhole camera is different from today?

## Transition Day

We enjoyed welcoming our new Year 7's for the 2024 -2025 academic year. They had a great day finding out about Burton Borough School. The future students had the opportunity to try out our new canteen facilities at lunchtime.

# EEL Day Arrangements – 11<sup>th</sup> July 2024

- Year 7 - Trip – Students have received letters from the Year 7 Team and will be offsite all day.
- Year 8 – STEM Day a series of STEM related workshops (including a half day trip to Harper Adams University) – Students have received letters from Mrs Kane. Consent forms must be returned by 6<sup>th</sup> July.
- Year 9 – PSHE Day – A series of RSE and Careers workshops in school (including the launch of our Work Experience Programme for next year)

## New update from Jake Nuttall

For men's mental health awareness month, Jake Nuttall has been doing 245 press ups every day during the month of June. He completed his challenge on the 28th of June with 5642 press ups in total, a figure that represents the number of male suicides last year. This was a tough challenge, but Jake found that it helped him to manage his own emotions during his GCSE exams and he enjoyed putting daily evidence blogs together and sharing them on social media.

Jake wanted to pass on his gratitude to all the BBS families that offered him kind words of encouragement and for their donations to the Samaritan's charity. He is delighted to share that his efforts raised a massive £1360 and is hopeful that this money will fund the Samaritans to continue to provide valuable support and help to reduce male suicide in the future. The attached QR code links to his Just Giving page if you would like to donate.

A massive congratulations on your achievement Jake from all at Burton Borough School.

All our extra-curricular activities have come to an end for the rest of the year. There has been a good turn out to the extra-curricular activities this year thankyou to all the students who have attended and a big well done to all the pupils who have been consistent throughout the year in attending the different activities. We look forward to kicking off the new academic year with a variety of sports to get involved with.

BBS PE have decided to acknowledge some of the great sports students we have at the school by awarding them with sports awards. There are 6 categories the students can gain the awards through. They are Netball, Badminton, Athletics, Rugby, Football as well as 2 sports captains from each year. These students have shown a high level of dedication to sports within BBS, attending clubs and being part of fixtures consistently throughout the year. As well as being role model students for their peers when it comes to PE and BBS sports.

Below is a list of year 10 students that have been given the awards. Other years will be made aware of the winners from their year shortly so keep an eye out for it. A huge well done to all the students that have been given the awards!

Our year 7 girls are travelling to Madeley Academy on the 4th of July to compete in the final rounder's tournament of the year! Well done to all of the students that have attended any of these events they have been a great success and we look forward to more of them next year.

We are fast approaching this year's sports day which will be held on Friday 12th July. The students have started to prepare for sports day during PE lessons. This has been successful, and many students have signed up for an event well done! If you have not had chance to sign up yet do not worry. Head down to the PE office and speak to one of the PE staff who will help you with this.

### THE NATIONAL CAREERS CHALLENGE

On Tuesday 9<sup>th</sup> July, 5 of our y9 students are competing against 250 schools in the National Careers Challenge in Doncaster. They will be pitching their "Corkies" business, making kits and personalised celebration frames from recycled corks to a team of prestigious judges from the business world. One student will be their mascot, dressed as "Corky"... Please wish them all luck! We have everything crossed but will update you on the outcome of the competition next week! Watch this space!

#### Y10 Work Experience

- Thank you to families for support with the Work Experience Programme
- All students will be taking part in a work experience programme from 8<sup>th</sup> -18<sup>th</sup> July. Those who have not secured a placement will be taking part in a hybrid programme, combining online sessions, virtual work experience sessions with companies, one to one tutorial, a work place visit and a day as a sports leader.
- All students should be in school on Friday 19<sup>th</sup> July and should bring in their work experience diaries with them for their debrief activities.

### EEL day

All students will be taking part in enrichment activities on Thursday 11<sup>th</sup> July. Year 7 and Year 8 students will be taking part in educational visits, so please ensure consent forms have been returned. Timetables have been included in the bulletin.

### Important Information

Starting in September 2024 we will begin our school day at 8.45am and end of day will be 3.10pm. Please refer to the letter previously emailed to families from Mr Gummery.
