Dear Families

We are now well into the summer examination season. Our Year 11 students have been very thorough with their preparations, and it is pleasing to see how seriously they have approached their revision. I am sure that their hard work and determination will pay off when the results are published in August. If they do have any worries or concerns, they should speak to our pastoral staff. We wish them the very best!

This week is Mental Health Awareness week. The Diversity Club have been learning about how mental health impacts different cultures and gender. It was great to see students and staff wearing green stickers around the school.

Our staff continue to offer extra-curricular activities for our students, and it was very pleasing to see how many of our students took part in the Duke of Edinburgh Silver expedition this week. Please continue to encourage your children to participate in the activities that our staff offer.

Enjoy your weekend.

Mr Kelay

Acting Principal

Year 10 Work Experience – We are fast approaching the work experience weeks for year 10 students (8th – 18th July) and we still have several students without placements. Mrs Kane, Mrs Bailey & Mrs Jones are working with students to try and secure placements, but if you can assist us at all we would be really grateful. Whether that is trying to source a placement for your son / daughter or being able to offer a place at your place of work for another student, please get in touch. Students without placements will have to complete a rigorous hybrid programme including online tasks, webinars, workplace visits and writing a full reflection log. Normal year 10 lessons will not be an option due to year 10 teachers completing the monitoring visits for students on placement.
