Message from our Principal

Dear families,

Many **congratulations** to our young people for their successes this half term. We have seen incredible achievements across a range of sports, both in and out of school. A special mention goes to **Tayla New**, who is one of only 25 young people to secure a place in **England Hockey's Talent Pathway** training programme in Stoke-on-Trent.

This half term has been one of **celebration**, marked by events such as the **Work Experience Awards Evening** and the **Year 7 Welcome Evening**. It has also been one of hard work, particularly for our **Year 11 students** as they tackled their mock exams. In addition to their academic efforts, students have developed their character, representing our school with pride at **Open Evening** and engaging positively in our **EEL day**.

We are incredibly **PROUD** of how our students have embraced these challenges and opportunities.

I would also like to extend a heartfelt **thank you** to our families, students, staff, and the wider community for the warm welcome I have received in my first half term at **Burton Borough School**.

Wishing you all a restful and well-deserved half term break.

Congratulations to our Year 11 students who have just finished their first round of **mock exams**, we are so happy with the maturity they demonstrated and the preparation that they put into these.

After **half-term**, we will be focusing on the '**reflect and reset**' stage where students will be working alongside their form tutors to look at the strategies that worked well for revision and targeting the areas that we can improve. We will also be dedicating time to work through their personalised '**Pathway to Success**' booklet where we will focus on career aspirations, P16 subject choices, entry requirements, open mornings and preparing for those all-important interviews. This will be combined with P16 provider talks during assemblies, careers appointments and the '**Your futures conference**' on the **13th December 2024**.
