## **Pupil Premium Policy**

<b>Policy Reviewer</b>	Ben Morgan Senior Vice Principal	<b>Date of Review</b>	November 2021
<b>Date Presented to Governors</b>	18 January 2022	<b>Frequency of Review</b>	January 2023

This policy aims to clarify how the school will allocate Pupil Premium Funding within Burton Borough School in the context of Government policy. For further information about Pupil Premium and how this is spent please see the Pupil Premium section on our website

The school recognises that not all pupils who are eligible for pupil premium are underachieving, while some pupils may be underachieving and not eligible for pupil premium funding. It is school policy to plan, adapt and prepare for any individual, or group, in which any area of under-performance is evident.

The school does not use this policy to displace current strategies to intervene and support its pupils. Some pupils may be achieving well, but will be entitled to funding to enhance their future educational aspirations and achievements.

### **Aims**

To provide all pupils with fair and equal opportunities to achieve and excel in all areas of the curriculum; using and applying the most effective pedagogy supported by use of additional, delegated funding.

To work in partnership with families and pupils eligible for pupil premium, to plan, monitor and evaluate support and intervention in order to secure individual progress and achievement.

To work with external partners and organisations to provide additional support for the social, emotional, health and wellbeing of all pupils with potential barriers to learning and achievement.

To ensure governors fulfil statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment.

### **Statutory Framework**

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

Pupil Premium has been allocated to school and is clearly identifiable in the school budget. It is for school to decide how the Pupil Premium, allocated to schools per FSM pupil, is spent, "since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility." (DFE 2012)

Schools are free to spend the Pupil Premium as they see fit. However they will be held accountable for how they have used the additional funding to support pupils from low-income families.

### **Identification of Pupils**

## **Ever 6**

The pupil premium for 2021 to 2022 will include pupils recorded in the January 2021 school census who are known to have been eligible for free school meals (FSM) in any of the previous 6 year (ie. since summer 2015), as well as those first known to be eligible at January 2021.

## **Children adopted from care or who have left care**

The pupil premium for 2021 to 2022 will include pupils recorded in the January 2021 school census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order (previously known as a residence order). These are collectively referred to as post-LAC in these conditions of grant.

## **Ever 5 Service child**

For the purposes of these grant conditions, ever 5 service child means a pupil recorded in the January 2021 school census who was eligible for the service child premium in any of the previous 4 years (ie since the January 2017 school census) as well as those recorded as a service child for the first time on the January 2021 school census.
