## Statement of intent

The overall aim for Modern Foreign Languages at Burtonwood Community Primary School is to enrich learning for all pupils by giving children knowledge about languages in a way that is enjoyable and fun, whilst laying the foundations for future study. Learning an additional language provides a valuable educational, social and cultural experience for pupils. It will also create potential opportunities in the future for studying and working abroad. We want the children to know more and remember more as they progress through their language learning journey throughout our school and develop language confidence.

As part of the requirement to teach KS2 pupils a language, pupils at our school will be taught French. We believe our languages curriculum opens pupils up to a variety of cultures and helps to foster pupils' curiosity and deepen their understanding of the world.
