Achievements

In previous years, we have been able to fund new sound equipment and staging, a cover for the pond, contributed to the cost of outdoor play equipment and the willow dome. We have installed a “buddy bench” (grant provided by the local council for the purchase of the bench), and helped to fund an outdoor shelter on the playground, which will provide the children with an “all-weather” area to use at break/lunch times.

Purchased coveralls to keep KS1 clean and dry in Willow Wood and, just recently we have developed another wooded area of the field into an “outdoor classroom” with funding from Warrington Borough Council and Omega. This year, we are contributing £3000 towards the cost of a second trolley of iPads!!

When, Where

We hold our Annual General Meeting at the beginning of the new school year, in September, and then as/when events require. All meetings are held on school premises.

How to give your support
