

**BROOKHAVEN SCHOOL** – Version 4

# Newsletter

*unique by design, awesome by outcome*

We're elated to share some exciting updates with you since our last newsletter. On January 29th, we hosted a successful Open Day to extend a warm welcome to our confirmed students. The keys to our school are now in our hands, marking the completion of the building work. An emblem of pride, the Brookhaven School logo is officially hung, bringing the entire establishment together.

We now stand on the cusp of a momentous milestone as we eagerly prepare to welcome our first students. The air is buzzing with anticipation, and we can't wait to embark on this incredible journey together!

## Travel Application Form

It is the Council's final decision on the type of travel arrangement offered based upon the information provided in each individual application and in line with the home to school travel policy. When processing this application Bury Council will initially consider whether a child is suitable for Independent Travel Training. All available options will be investigated and home to school transport may not be a first option.
