Welcome to Brookhaven School! We are a new innovative, forward thinking school set to open in Bury January 2024 where all learners are empowered to achieve their dreams! 🌟!

This new school will have a fantastic team that will work relentlessly to make every day a magical day of learning; to suit every child's needs, to ensure they make rapid gains not only as learners across the whole curriculum but as individuals prepared for next century living as well as the world that we live in today. It is our duty and privilege as a school and community to make a difference every day.
