4. Recording Attendance

4.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the beginning of every Academy Day and within the first five minutes of every lesson. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive at the Academy by 8.48am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9.20am. Any student arriving after this time will be marked with a U code (unauthorised absence) on the registers. The register for the second session will be taken at 1:18pm and will be kept open until 1:23pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the Academy of the reason for the absence on the first AND EVERY day of an unplanned absence by 8.45am or as soon as practically possible by calling the Academy office on 01472 851383 or by emailing attendance@cyac.org.uk (see also section 7).

Parents/carers must also provide an expected return to school date, if possible.

Failure to notify the Academy will result in a text message and email being sent home, followed by a telephone call. If the whereabouts of the student are not ascertained, a home visit may be conducted. If a valid reason is not received by the Academy, the absence will be recorded as unauthorised.

We will mark absences due to illness as authorised unless the Academy has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the Academy may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the Academy is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned Absence

Medical Appointments

Attending a medical or dental appointment will be considered as authorised as long as the pupil's parent/carer notifies the Academy in advance of the appointment, where possible. This can be done either by telephone 01472 851383 or email to attendance@cyac.org.uk

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of the Academy for the minimum amount of time necessary. The Academy will only authorise half a day absence for a medical appointment unless there are exceptional circumstances.

Requests for Leave of Absence/Term -Time Holidays

Children are not entitled to holidays during term times. Any request for leave of absence must be made to the Headteacher at least 4 school weeks prior to the date by completing the Leave of Absence Request Form. A copy of this can be found on

the Academy website or obtained via the main office. Go to section 5 to find out which term-time absences the Academy can authorise.

4.4 Lateness and Punctuality

A pupil who arrives late:

- Before the register has closed, it will be marked as late, using the appropriate code
- After the register has closed it will be marked as absent, using the appropriate code
- For any student who is late, they will receive a break detention of 10 minutes. These are tracked by the Head of Years via the Bromcom system.
- For any students who are persistently late, a letter of concern will be sent home. If this does not improve, then a meeting will be held to address the issue.

4.5 Following up unexplained absence

Where any pupil we expect to attend the Academy does not attend, or stops attending, without reason, the Academy will:

- Call the student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the Academy cannot reach any of the student's emergency contacts, the Academy may conduct a home visit and if the whereabouts of the student is still unknown, the police will be contacted and the student will be reported as missing. This will be agreed between the parents (if they are contactable) and the Academy.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 2 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the Academy will consider involving other agencies.

4.6 Reporting to parents/carers

The Academy ensures parents/carers are kept up-to-date of their child's attendance by:

- Use of My Child at School (MCAS) to always be able to see up-to-date attendance data for children
- Termly attendance letters
- Termly newsletters
- Student reports 3 times per year including attendance figures

5. **Authorised and unauthorised absence**

5.1 Approval for term -time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The Academy considers each application for term -time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, which can be found on the Academy Website or obtained from the main office.

The Headteacher may require evidence to support any request for leave of absence. Requests will only be authorised if deemed to be exceptional circumstances. If you still choose to take your child out of the Academy and the request has not been granted, the absences will be recorded as unauthorised and the local authority may be requested to issue a Fixed Penalty Notice.

Valid reasons for authorised absence include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the Academy will seek advice from the parents' religious body to confirm whether the day is set apart

- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the Academy, but it is not known whether the pupil is attending educational provision

5.2 Legal sanctions

The Academy or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age. From 19th August 2024, guidance is as follows:

- 1st Offence (after 19th August 2024) £80 per parent per child of paid within 21 days. £160 per parent per child when paid within 28 days.
- 2nd Offence (within in a 3 -year period) £160 per parent per child to be paid within 28 days
- 3rd Offence (further offences within a 3 year period). The 3rd time a penalty notice is issued, the case will be presented straight to the Magistrates Court. Fines of up to £2500 per parent per child can be issued. Cases found guilty in Magistrates Court can show up on parents future DBS certificates as a failure to safeguard a child's education.

Penalty notices can be issued by a headteacher, local authority officer or the police. The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

6. Strategies for promoting attendance

Caistor Yarborough Academy will promote and celebrate exceptional attendance by:

- Presenting 100% attendance certificates to students at the end of every term and at the end of the academic year
- Announcing each week, the attendance stars of the week for the tutor group and year group with the highest attendance for the week
- During attendance week all children with 100% attendance will be invited to have a treat with their Head of Year
- Rewarding students with house points for exceptional attendance

- Rewarding students with positive points for every week a student achieves 100% attendance
- Rewarding students with an end of term reward trips if they show and maintain excellent attendance
- Displaying attendance data each week on the attendance notice board and in tutor rooms

7. Attendance Monitoring

The Attendance Officer provides the following attendance data:

- Daily attendance data is emailed out to all staff, confirming the day's attendance for the whole school and broken down by year group. A list of absent students is also included and the reason for absence.
- Weekly attendance data is emailed out to all staff using the 'Attendance Newsletter'. This contains a breakdown of attendance by year group, tutor group, yearly, termly and weekly. The newsletter also contains information about PA figures.
- Termly attendance data is sent out to SLT and is broken down by sub groups, including gender, FSM, PP and SEN.
- Attendance data is submitted and reported to Academy Trustees four times a year
- During termly meetings between Head of Years and the Attendance officer this data is analysed and strategies are put in place to support students to improve attendance.
- Comparisons of Academy attendance data compared to national and regional attendance figures (using FFT Aspire) are circulated weekly.

7.1 Monitoring Attendance

The Academy will:

- Monitor attendance and absence data half -termly, termly and yearly across the Academy and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil -level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school -level absence data is published alongside the national statistics. The Academy will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing Attendance

The Academy will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The Academy will:

- Provide regular attendance reports to all staff, including Academy leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The Academy will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at the Academy
- Provide access to wider support services to remove the barriers to attendance
- Report to the Local Authority via the PNAR system
- Follow the Attendance Policy and guidelines, through issues of letters, reports and fixed penalty notices.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum of one year by the Headteacher. At every review, the policy will be approved by the full board of Trustees.
