

27 September 2023

Dear Parents and Carers,

Welcome back to the new academic year. As we have visited the schools over the past few weeks, we have been impressed with the positive start to the new year that all of the children are making. Headteachers have also been reporting that each of the Trust schools are calm and there is a real enthusiasm for the learning we all have to do together during the year ahead.

Campfire Education Trust starts the school year with a new look. We have developed a new logo and website which you can find here: <https://www.campfiretrust.co.uk/> so please do check this out.

Over the last year we have worked in partnership with school staff to redevelop our Trust's mission and values which can also be found on our website. In practice, this means redefining how we work together as a group of schools to ensure that we are providing the best possible educational experiences for all pupils. We are clear that as a group of six schools we are stronger together and so it was important to ensure that we have a set of common goals and values to drive forward our work together.

Thank you to all of you who completed our annual Campfire Trust Parents' and Carers' Survey during the summer term. Your feedback is important and ensures we have an accurate evaluation of how well our schools are meeting your needs.

With very best wishes for the year ahead,

Mrs S Mitchell
Chief Executive Officer, Campfire Education Trust
