The Company shall also have regard to the requirements set out in section 405 of the Education Act 1996 which shall apply to each Academy as if it were a maintained school.

29A The Company agrees to act in accordance with Sections 406 (Political Indoctrination) and 407 (Duty to secure balance treatment of political issues) of the Education Act 1996 as if it were a maintained school, subject to the following modifications:

⁸ Please also see the Charity Commission guidance (CC9): "Speaking out: Guidance on Campaigning and Political Activities by Charities" <http://www.charity-commission.gov.uk/Publications/cc9.aspx>

- a) The Company shall ensure that each Mainstream Academy and each **Special Academy** complies with any guidance issued by the Secretary of State from time to time to ensure that pupils take part in assessments and in teacher assessments of pupils' performance as they apply to maintained schools.; and the Company shall also do so for each **Alternative Provision Academy** unless there are exceptional reasons to do otherwise.
- b) The Company shall report to any body on assessments under clause 30 as the Secretary of State shall require and shall provide such information as may be required by that body as applies to maintained schools.
- c) In respect of all Key Stages, the Company will submit each Academy to monitoring and moderation of its assessment arrangements as required by the Secretary of State.
- d) In relation to courses of education or training at an Academy which are funded from its GAG, the Company may offer:
 - (i) any course of education or training which leads to a qualification that is approved by the Secretary of State for the purposes of section 96 of the Learning and Skills Act 2000; and
 - (ii) any course of education or training not falling within paragraph (i) if the Secretary of State gives his specific written approval for it.

30A) Subject to clause 30B, the Company shall ensure that the following information is published on the website for each Mainstream Academy, for each **Alternative Provision Academy**, and where relevant for each **Special Academy**:

- a) If applicable, the school's most recent Key Stage 2 results as published by the Secretary of State under the following column headings in the School Performance Tables published on the Department for Education's website:

 - (iii) "% of pupils making expected progress".
- c) Information as to where and by what means the most recent report about the school published by the Chief Inspector may be accessed.
- d) Information as to where and by what means the School Performance Tables published by the Secretary of State on the Department for Education's website may be accessed.

30B) There is no requirement to publish information under clause 30A if to do so would be in breach of the Company's obligations under the Data Protection Act 1998.

Exclusions Agreement

31) In respect of Mainstream Academies, the Company shall, if invited to do so by an LA, enter into an agreement in respect of an Academy with that LA, which has the effect that where:

- a) the Company admits a pupil to the Academy who has been permanently excluded from a maintained school, the Academy itself or another Academy with whom the LA has a similar agreement; or
- b) the Company permanently excludes a pupil from the Academy;

payment will flow between the Company and the LA in the same direction and for the same amount that it would, were the Academy a maintained school, under Regulations made under section 47 of the School Standards and Framework Act

1998 relating to the addition or deduction of a maintained school's budget following a permanent exclusion or the admission of a permanently excluded pupil. At the date of this Agreement, the applicable Regulation is Regulation 23 of the School Finance (England) Regulations 2011.

School Meals

32) The Company shall, if requested to do so by or on behalf of any pupils at any Academy, provide school lunches for those pupils unless it would be unreasonable for it to do so. Subject to the provisions of clause 33 charges may be levied for lunches, but the Company shall otherwise fund the cost of such school lunches from its GAG for Mainstream Academies, or from its resources for **Special Academies** and for **Alternative Provision Academies**.

33) In relation to a pupil who is himself or whose parents are in receipt of benefits mentioned in section 512ZB of the Education Act 1996 (or equivalent provision governing the entitlement to free school lunches of pupils at maintained schools), the Company shall ensure that a school lunch is provided for such a pupil free of charge to be funded by the Company.

Charging

34) Sections 402 (obligation to enter pupils for public examinations), 450 - 457 (charges), 459 (regulations about information about charges and school hours), 460 (voluntary contributions), 461 (recovery of sums as civil debt) and 462 (interpretation re charges) of the Education Act 1996 (including, for the avoidance of doubt, any secondary legislation made further to those provisions) shall be deemed to apply to each Academy with the following modifications:

- a) references to any maintained school shall be treated as references to an Academy;
- b) references to registered pupils shall be treated as references to registered pupils at an Academy;
- c) references to the governing body or the local authority shall, in each case, be treated as references to the Company;

- d) the Company may charge persons who are not registered pupils at an Academy for education provided or for facilities used by them at that Academy.⁹

International Education Surveys

34A) Section 538A of the Education Act 1996 (power to direct participation in international surveys) shall be deemed to apply to each Academy with the following modifications:

- (a) references to the governing body shall be treated as references to the Company; and
- (b) references to a community, foundation or voluntary school shall be treated as references to the Academy.

Pupil Premium

34B) For Mainstream Academies, and those **Special Academies** that receive Pupil Premium Funding¹⁰, the Company shall publish in each Academy Financial Year information in relation to:

- a) the amount of Pupil Premium allocation that it will receive during the Academy Financial Year;
- b) on what it intends to spend the Pupil Premium allocation;
- c) on what it spent its Pupil Premium in the previous Academy Financial Year;

⁹ For clarification, such charging is separate and distinct from any arrangement that the Company may make with Commissioners concerning the referral of pupils to the **Alternative Provision Academy**.

¹⁰ The Pupil Premium is additional funding for schools to support pupils from low-income families. In instances when those pupils are in special settings, the funding can either be allocated to the setting where they are being educated, or held by the local authority to spend specifically on additional educational support to raise the standard of attainment for these pupils. The authority must consult non-mainstream settings about how the Premium for these pupils should be used. Where Pupil Premium is allocated to the Special Academy by the Local Authority, the company must publish information as set out in clause 34B. There is no requirement for Alternative Provision settings to publish such information.

- d) the impact in educational attainment, arising from expenditure of the previous Academy Financial Year's Pupil Premium.

DURATION OF SCHOOL DAY AND YEAR

34C) In respect of **Mainstream Academies and Alternative Provision Academies**, the duration of the school day and year will be the responsibility of the Company.¹¹

GRANTS TO BE PAID BY THE SECRETARY OF STATE

General

35) The Secretary of State shall pay grants towards Recurrent Expenditure and may pay grants towards Capital Expenditure for each Academy. Except with the Secretary of State's prior agreement, the Company shall not budget for its expenditure in any Academy Financial Year in excess of expected income (subject to clause 80). The Company shall not enter into commitments which are likely to have substantial implications for future levels of grant, or for the period for which grant may be required. No decision by the Company shall commit the Secretary of State to paying any particular amount of grant.

36) "Recurrent Expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of capital expenditure set out at clause 37. The Secretary of State shall pay two separate and distinct grants in respect of recurrent expenditure: General Annual Grant ("GAG") and Earmarked Annual Grant ("EAG").

Capital Grant

37) "Capital Expenditure" means expenditure on:

- a) the acquisition of land and buildings;

¹¹ In respect of **Special Academies**, regulations made under section 551 of the Education Act 1996 apply (currently the Education (School Day and School Year) (England) Regulations 1999).

- b) the erection, enlargement, improvement or demolition of any building including fixed plant, installation, wall, fence or other structure, or any playground or hard standing;
- c) the installation of electrical, mechanical or other services other than necessary replacements, repairs and maintenance due to normal wear and tear;
- d) the purchase of vehicles and other self-propelled mechanical equipment;
- e) the installation and equipping of premises with furnishings and equipment, other than necessary replacements, repairs and maintenance due to normal wear and tear;
- f) the installation and equipping of premises with computers, networking for computers, operating software and information and communication technology equipment, other than necessary updates or necessary replacements, repairs and maintenance due to normal wear and tear;
- g) the provision and equipping of premises, including playing fields and other facilities for social activities and physical recreation other than necessary replacements, repairs and maintenance due to normal wear and tear;
- h) works of a permanent character other than the purchase or replacement of minor day-to-day items;
- i) any major repairs or replacements which are specified as constituting capital expenditure in any grant letter relating to them;
- j) such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of this Agreement;
- k) all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l) VAT and other taxes payable on any of the above.

"Capital Grant" means grant paid to the Company in respect of Capital Expenditure.

38) Where an Academy is to open in new premises, or where existing premises are to be substantially refurbished or remodelled to enable the Academy to open in such premises, the Secretary of State, may, in his absolute discretion be responsible for meeting the incurred Capital Expenditure for that Academy. To that end, the Secretary of State will consider providing funding in accordance with any arrangements as he considers appropriate.

39) Any Capital Expenditure incurred in respect of each Academy on which Capital Grant payments are sought from the Secretary of State will require the specific prior written agreement of the Secretary of State, which agreement shall not be unreasonably withheld or delayed.

40) Any payment of Capital Grant to the Company under this Agreement is subject to the fulfilment of the following conditions:

- a) such grants are used solely to defray expenditure approved by the Secretary of State;
- b) the Company certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place;
- c) Any other conditions that the Secretary of State may specify.

Arrangements for Payment of Capital Grant

41) Capital Grant will be paid by the Secretary of State to the Company on the basis of claims for grant submitted to the Secretary of State in the notified format with supporting invoices and certificates as required by the Secretary of State. If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Company so much of the claim as shall not be in dispute.

General Annual Grant

41A) GAG paid by the Secretary of State in respect of an Academy shall only be spent by the Company towards the normal running costs of the Academies.

42) Clauses 42A to 53 apply in respect of Mainstream Academies only.

42A) GAG will be paid by the Secretary of State to the Company in order to cover the normal running costs of each Mainstream Academy. These will include, but are not limited to:

- a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- c) employees' expenses;
- d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e) examination fees;
- f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- g) insurance;

- h) medical equipment and supplies;
- i) staff development (including in-service training);
- j) curriculum development;
- k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l) administration; and
- m) establishment expenses and other institutional costs.

43) Subject to clauses to 51-52, GAG for each Academy Financial Year for each Mainstream Academy will include:

- a) funding equivalent to that which would be received by a maintained school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
- b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained school.

44) The GAG for each Academy Financial Year for each Mainstream Academy will also include, payable on a basis equivalent to that applied to maintained schools:

- a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- b) payments in respect of further, specific grants made available to maintained schools, where the relevant Academy meets the requisite

conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State.

45) Subject to clause 47, the basis of the pupil number count for the purposes of determining GAG for the Academy Financial Year in which a Mainstream Academy opens shall be the same basis as that used by the Local Authority for determining the budget share of the predecessor maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State.

46) Subject to clause 47 the basis of the pupil number count for the purpose of determining GAG for a Mainstream Academy for Academy Financial Years after the Academy Financial Year in which the Academy opens will be:

- a) for the pupil number count for pupils in Year 11 and below, the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question; and
- b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.

47) Where either of the following conditions applies in respect of an Academy Financial Year, the basis of the pupil count shall be determined by the Secretary of State, taking account of any diseconomies of scale that the Academy will be under as a result of such condition(s) applying. The conditions are:

- a) not all planned Year-groups will be present at the Academy (that is, not all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); or
- b) the total number of pupils as measured in the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question is less than 90% of the planned final size of the Academy, as specified in the Academy's Supplemental

Agreement, and has not at any previous time been 90% or more of that number.

48) For any Academy Financial Year in which GAG for a Mainstream Academy has been calculated in accordance with clause 45, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG for that Academy to recognise variation from the pupil count basis used.

49) For any Academy Financial Year in which GAG for a Mainstream Academy is calculated in accordance with clause 46, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on balances. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

50) The Secretary of State recognises that:

- a) in relation to Mainstream Academies which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet the Academy's needs in the Academy Financial Years before all age groups are present at their planned size (the "Start-up Period") because of a lack of economies of scale. The Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively¹²;
- b) in relation to Mainstream Academies which open with pupils transferred from one or more maintained schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed

¹² Note that a larger GAG for the Start-Up Period is only applicable to Academies with approved Academy Action Plans.

schools and, where necessary, to offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Company will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

51) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 43-49 to allow the relevant Mainstream Academy to:

- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials;
- b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

52) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement under that agreement the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the relevant Mainstream Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively.

53) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant Mainstream Academy or Mainstream Academies is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54) Not used.

54AAA) Clauses 54AA to 54H apply in respect of **Special Academies** only.

54AA) GAG will be paid by the Secretary of State to the Company as a contribution towards the normal running costs of each **Special Academy**. These will include, but are not limited to:

- a. teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- b. non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- c. employees' expenses;
- d. the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e. examination fees;
- f. repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- g. insurance;
- h. medical equipment and supplies;
- i. staff development (including in-service training);

- j. curriculum development;
- k. the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l. administration; and
- m. establishment expenses and other institutional costs.

54A) Subject to clauses 54E – 54F, GAG for each Financial Year for each **Special Academy** will include:

- a) funding equivalent to that which would be received by a maintained special school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy;
- b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained special school.

54B) The GAG for each Academy Financial Year for each **Special Academy** will also include, payable on a basis equivalent to that applied to maintained special schools:

- a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- b) payments in respect of further, specific grants made available to maintained special schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State.

54C) The Secretary of State will determine GAG for each **Special Academy** for each Academy Funding Year. The determinations will be made taking into account relevant factors. Arrangements for this will be set out in the Annual Letter of funding or its equivalent.

54D) The Secretary of State may make provision, within his absolute discretion, for GAG to be adjusted in-year if the number of pupils attending the relevant academy at specified dates exceeds or falls below thresholds specified by letter. Arrangements for this will be set out in the Annual Letter of Funding.

54E) The Secretary of State recognises that a larger GAG may be appropriate to meet additional costs during the start-up period, and may pay start-up grant, on a basis determined by him, during that period, the length of which will be stipulated in the Annual Letter of Funding¹³.

54F) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement, the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based on a number of places related to the number of pupils attending the relevant **Special Academy** are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 54A-54D, in order to enable the Academy to operate effectively.

54G) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant **Special Academy or Special Academies** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy.

54H) Not used.

¹³ Note that a larger GAG for the Start-Up Period is only applicable to Academies with approved Academy Action Plans.

54I) Clauses 54J to 54P apply in respect of **Alternative Provision Academies** only.

54J) GAG will be paid by the Secretary of State to the Company as a contribution¹⁴ to the normal running costs of the **Alternative Provision Academy**. These will include, but are not limited to:

- a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
- c) employees' expenses;
- d) the purchase, maintenance, repair and replacement:
 - (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e) examination fees;
- f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
- g) insurance;
- h) medical equipment and supplies;

¹⁴ The extent of any such contribution to be within the absolute discretion of the Secretary of State.

- i) staff development (including in-service training);
- j) curriculum development;
- k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with special educational needs or disabilities (taking account of the fact that separate additional money will be available for pupils with statements of special educational needs);
- l) administration; and
- m) establishment expenses and other institutional costs.

54K) Subject to clause 54M, GAG for each Academy Financial Year for each **Alternative Provision Academy** will include:

- a) funding determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils and/or places at the Alternative Provision Academy;
- b) funding in respect of functions which would be carried out by the local authority if the Alternative Provision Academy were a maintained school.
- c) funding for matters for which it is necessary for the Alternative Provision Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
- d) payments in respect of further, specific grants made available to Pupil Referral Units maintained by the local authority, where the Alternative Provision Academy meets the requisite conditions and criteria necessary for a Pupil Referral Unit maintained by the local authority to receive these grants.

54L) For each **Alternative Provision Academy**, the Secretary of State will determine GAG for each Academy Financial Year. The determination will be made taking into account relevant factors. Arrangements for this will be set out in the Annual Letter of Funding or its equivalent.

54M) For each **Alternative Provision Academy**, the Secretary of State may make provision, within his absolute discretion, for GAG to be adjusted in-year if the number of pupils attending the relevant Alternative Provision Academy at specified dates exceeds or falls below thresholds specified by letter. Arrangements for this will be set out in the Annual Letter of Funding or its equivalent.

54N) The Secretary of State recognises that if he serves notice of intention to terminate this Agreement, the intake of new pupils during the notice period is likely to decline and that in such circumstances the total income of the relevant **Alternative Provision Academy** is unlikely to be sufficient. In such circumstances payments based simply upon the number of pupils attending that Academy are unlikely to be sufficient to meet the Academy's needs during the notice period. The Secretary of State may undertake to pay a reasonable and appropriately larger GAG with respect to the Alternative Provision Academy in the notice period than would be justified solely taking into account factors at clause 54J in order to enable the Alternative Provision Academy to operate effectively.

54O) The Secretary of State also recognises that if this Agreement is terminated for any reason by either party the number of pupils at the relevant **Alternative Provision Academy** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Alternative Provision Academy.

Earmarked Annual Grant

55) Earmarked Annual Grant ("EAG") may be paid by the Secretary of State to the Company in respect of either Recurrent Expenditure or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Company and as described in the relevant funding letter. The Company shall only spend EAG in accordance with the scope, terms and conditions of the grant set out in the relevant funding letter.

56) Where the Company is seeking a specific EAG in relation to any Academy Financial Year, it shall submit a letter outlining its proposals and the reasons for its request to the DfE.

Arrangements for Payment of GAG and EAG

57) The Secretary of State shall notify the Company at a date preceding the start of each Academy Financial Year of the GAG and EAG figures in respect of each Academy which, subject to Parliamentary approval, the Secretary of State plans for that Academy Financial Year and of the assumptions and figures on which these are based.

58) If GAG or EAG is calculated incorrectly due to a mistake of the Secretary of State then:

- a) if this leads to an underpayment of GAG, the Secretary of State will correct the underpayment in subsequent Academy Financial Years;
- b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.

59) If GAG or EAG is calculated incorrectly because the Company provides incorrect information to the Secretary of State then:

- a) if this leads to an underpayment of GAG, the Secretary of State may correct the underpayment in subsequent Academy Financial Years;
- b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.

60) The amounts of GAG for an Academy Financial Year will be determined annually by the Secretary of State. The amount of GAG for each Academy for the initial Academy Financial Year will be notified to the Company in a funding letter at

a date preceding that year. For subsequent years the amount of GAG will be notified to the Company in a funding letter preceding that Academy Financial Year (the "Annual Letter of Funding"). The Annual Letter of Funding will not include the amount that the Company will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG will be notified to the Company wherever possible in the Annual Letter of Funding or its equivalent as soon as practicable thereafter.

61) The Secretary of State undertakes to pay GAG in monthly instalments on or before the twenty-fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in the Annual Letter of Funding or its equivalent.

Other relevant funding

62) Not used.

62A) With regards to an **Alternative Provision Academy**, the Company may apply to the Secretary of State for financial assistance in relation to proposed redundancies that it may make. On an application to the Secretary of State, he may (at his absolute discretion) agree to meet a proportion of the Company's costs arising from the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government) (Modification) Order 1999. In response to an application for financial assistance, the Secretary of State may agree to meet the costs of the employees' prior eligible service, being service prior to the opening of the Alternative Provision Academy, but the Company will be required to meet the costs of service after the opening of the Academy.

63) The Secretary of State may meet costs incurred by the Company in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by

case basis and the Company shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.

64) The Company may also receive funding from an LA in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of Section 483A of the Education Act 1996 and regulations made under that section. The Company shall ensure that all provision detailed in statements of SEN is provided for such pupils.

65) Not used.

FINANCIAL AND ACCOUNTING REQUIREMENTS

General

66) The Company shall appoint an Accounting Officer and shall notify the Secretary of State of that appointment.

67) In relation to the use of grant paid to the Company by the Secretary of State, the Company shall abide by the requirements of, and have regard to the guidance in, the Academies Financial Handbook published by the DfE and amended from time to time and as modified to take account of the fact that the Company manages more than one Academy which sets out in detail provisions for the financial management of each Academy including guidance on financial systems and controls and accounting and reporting requirements, in so far as these are not inconsistent with any accounting and reporting requirements and guidance that it may be subject to by virtue of its being a charity.

67A) The Company shall abide by the requirements of the current 16 to 19 Funding Guidance published by the Secretary of State and as amended from time to time, or such other guidance on 16 to 19 funding issued by the Secretary of State as may from time to time be applicable, in respect of any of its provision for persons who are above compulsory school age until the academic year in which they reach the age of 19.

68) The formal budget plan must be approved each Academy Financial Year by the Directors of the Company.

69) Any payment of grant by the Secretary of State in respect of each Academy is subject to his being satisfied as to the fulfilment by the Company of the following conditions:

- a) in its conduct and operation it shall apply financial and other controls which conform to the requirements both of propriety and of good financial management;
- b) arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;
- c) in addition to the obligation to fulfil the statutory requirements referred to in sub-clause f) below, the Company shall prepare its financial statements, Directors' report, Annual Accounts and its Annual Return for each Academy Financial Year in accordance with the Statement of Recommended Practice as issued by the Charity Commission and updated from time to time as if the Company was a non-exempt Charity and/or in such form or manner and by such date as the Secretary of State may reasonably direct and shall file these with the Secretary of State and the Principal Regulator each Academy Financial Year;
- d) a statement of the accounting policies used should be sent to the Secretary of State with the financial statements and should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Company's affairs and that the grants were used for the purposes intended;
- e) the Company shall ensure that its accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State;

- f) the Company prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 2006;
- g) the Company shall publish on its website its Annual Accounts, Annual Report, Memorandum, Articles, Funding Agreement and a list of the names of the Directors of the Company; and
- h) the Company insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the site upon which each Academy is situated.

70) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls maintained by the Company to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Company.

71) The books of accounts and all relevant records, files and reports of the Company including those relating to financial controls, shall be open at all reasonable times to officials of the DfE and the National Audit Office and to contractors retained by the DfE or the National Audit Office for inspection or the carrying out of value for money studies; and the Company shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.

72) The Company shall submit information in relation to the finances of each Academy to the Secretary of State in accordance with the requirements of the Academies Financial Handbook as amended from time to time, or as otherwise specified from time to time by the Secretary of State.

73) At the beginning of any Academy Financial Year the Company may hold unspent GAG for any Academy from previous Academy Financial Years amounting to such percentage (if any) as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may

specify by notice in writing to the Company prior to the beginning of that Academy Financial Year of the total GAG payable for the Academy in the Academy Financial Year just ended or such higher amount as may from time to time be agreed. The Company shall use such carried forward amount for such purpose, or subject to such restriction on its use, as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company.

74) Notwithstanding clause 73 any additional grant provided over and above that:

a) set out in clauses 43-49 in relation to Mainstream Academies and made in accordance with clauses 50-52 may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 52 come to an end.

b) set out in clauses 54A-54D in relation to **Special Academies** and made in accordance with clauses 54E-54F may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 54F come to an end.

c) set out in clauses 54K-54M in relation to **Alternative Provision Academies** and made in accordance with clauses 54N may be carried forward without limitation or deduction until the circumstances set out in clause 54N come to an end.

75) Any unspent GAG not allowed to be carried forward under clauses 73-74 may be taken into account in the payment of subsequent grant.

75A) GAG paid by the Secretary of State shall only be used by the Company for the educational charitable purpose of advancing for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing Academies offering a broad and balanced curriculum. Such funds shall not be used by the Company for any other charitable purpose without the prior written consent of the Secretary of State, except where the use of such funds for that

charitable purpose is merely incidental to their use for the educational charitable purpose of advancing for the public benefit education in the United Kingdom.

76) The Company may also spend or accumulate funds from private sources or public sources other than grants from the Secretary of State for application to the benefit of an Academy as it sees fit. Any surplus arising from private sources or public sources other than grants from the Secretary of State shall be separately identified in the Company's balance sheet.

77) The Company shall not, in relation to assets or property funded (whether in whole or in part) by the Secretary of State or otherwise coming within the meaning of publicly funded land as defined by paragraph 22(3) of Schedule 1 to the Academies Act 2010, without the prior written consent of the Secretary of State which shall not be unreasonably withheld or delayed:

- a) except such as are given in normal contractual relations, give any guarantees, indemnities or letters of comfort above a value as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company from time to time;
- b) write off any debts or liabilities owed to it, nor offer to make any ex gratia payments (such as staff severance or compensation payments), above a value as for the time being specified in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company from time to time;
- c) except as may be permitted in the Academies Financial Handbook or otherwise as the Secretary of State may specify by notice in writing to the Company, make any sale or purchase of or otherwise dispose of freehold or leasehold property including entering into a contract to dispose of land or granting an option to acquire an interest in land; or
- d) take up any leasehold or tenancy agreement for a term exceeding three years.

78) The Company shall provide 30 days' prior written notice to the Secretary of State, whether or not the circumstances require the Secretary of State's consent, of its intention to:

- a) give any guarantees, indemnities or letters of comfort;
- b) write off any debts owed to it or offer to make any ex gratia payments;
- c) make any sale or purchase of or otherwise dispose of freehold or leasehold property including entering into a contract to dispose of land or granting an option to acquire an interest in land; or
- d) take up any leasehold or tenancy agreement for a term exceeding three years.

79) Each discovered loss of an amount exceeding the amount for the time being specified by the Secretary of State and arising from suspected theft or fraud, shall be reported by the Company to the Secretary of State at the earliest opportunity.

80) It is the responsibility of the Company to ensure that each Academy balances its budget from Academy Financial Year to Academy Financial Year. For the avoidance of doubt, this does not prevent the Company from:

- a) subject to clause 73, carrying a surplus from one Academy Financial Year to the next; or
- b) carrying forward from a previous Academy Financial Year or Academy Financial Years a sufficient surplus or sufficient cumulative surpluses on grants from the Secretary of State to meet an in-year deficit on such grants in a subsequent financial year; or
- c) incurring an in-year deficit on funds from sources other than grants from the Secretary of State in any Academy Financial Year, provided it does not affect the Company's responsibility to ensure that the Company balances its overall budget from Academy Financial Year to Academy Financial Year.

80A The Company shall abide by the requirements of and have regard to the Charity Commission's guidance to charities and charity trustees and in particular

the Charity Commission's guidance in Protecting Charities from Harm ('the compliance toolkit'). Any references in this document which require charity trustees to report to the Charity Commission should instead be interpreted as references to report to the Principal Regulator.

Borrowing Powers

81) Except as may be permitted by the Academies Financial Handbook (and amended from time to time) or otherwise as the Secretary of State may specify by notice in writing to the Company, the Company shall not borrow against or so as to put at risk property or assets funded (whether in whole or in part) by the Secretary of State without specific approval of the Secretary of State, such approval may only be granted in limited circumstances. The Company shall not operate an overdraft except to cover irregularities in cash flow. Such an overdraft, and the maximum amount to be borrowed, shall require approval by the Company in General Meeting and in writing by the Secretary of State, and shall be subject to any conditions which the Secretary of State may reasonably impose.

82) The Company shall provide 30 days' written notice to the Secretary of State of its intention to borrow, whether or not such borrowing requires the Secretary of State's approval under clause 81 above.

Disposal of Assets

83) Where the Company acquires assets for a nil consideration or at an under value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to assets transferred to the Company at nil or nominal consideration and which were previously used for the purposes of an Academy and/or were transferred from an LA, the value of which assets shall be disregarded.

84) The sale or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by the Company shall require the consent of the Secretary of State, such consent not to be unreasonably withheld or delayed, where:

a) the Secretary of State paid capital grant in excess of the value for the time being specified by the Secretary of State for the asset; or

b) the asset was transferred to the Company from an LA for no or nominal consideration.

85) Furthermore, reinvestment of a percentage of the proceeds of disposal of a capital asset paid for with a capital grant from the Secretary of State shall require the Secretary of State's consent in the circumstances set out above and reinvestment exceeding the value for the time being specified by the Secretary of State or with other special features will be subject to Parliamentary approval. The percentage of the proceeds for which consent is needed is the percentage of the initial price of the asset which was paid by capital grant from the Secretary of State.

86) This clause applies in the event, during the lifetime of this Agreement, of the disposal of a capital asset for which capital grant of any amount was paid by the Secretary of State, where the asset was acquired by the Company. In this event, the Company shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Company for its charitable purposes.

87) This clause applies in the event, during the lifetime of this Agreement, that the Secretary of State consents to the disposal of an asset which was transferred to the Company from an LA for no or nominal consideration. In this event the Secretary of State may give consent on the basis that all or part of the proceeds of the disposal should be made over to the LA from which the asset was transferred, taking into account the amount of the proceeds to be reinvested by the Company. The Secretary of State will have regard to any representations from the Company and the LA from which the asset was transferred before giving consent under this clause.

88) Except with the consent of the Secretary of State, the Company shall not dispose of assets funded (whether in whole or in part) by the Secretary of State for

a consideration less than the best price that can reasonably be obtained, such consent not to be unreasonably withheld or delayed.

89) The Company shall provide 30 days' written notice to the Secretary of State of its intention to dispose of assets for a consideration less than the best price that can reasonably be obtained, whether or not such disposal requires the Secretary of State's consent under clause 88 above.

91) The Secretary of State may at any time by notice in writing terminate this Agreement and each of the Supplemental Agreements such termination to take effect on the date of the notice, on the occurrence, or where in his reasonable opinion there is a serious risk of occurrence, of any of the following events:-

The Company shall not be deemed unable to pay its debts for the purposes of this clause if any such demand as is mentioned in the said Section is being contested in good faith by the Company; or

d) the Company has a receiver and manager (with the exception of Receivers and Managers or Interim Managers appointed by the Charity Commission under the Charities Act 2011 or any subsequent re-enactment of that Act),

(b) in the Control of a legal entity that Controls the Company.

Provided that where a person ('P') is a member or director of the body corporate (as a corporation sole or otherwise) by virtue of an office, no change of Control arises merely by P's successor becoming a member or director in P's place.

93B) The Company shall notify the Secretary of State in writing of any change or proposed change of Control within the meaning of clause 93A) above, as soon as reasonably practicable after it has become aware of any such change, or proposed change, of Control.

93C) When notifying the Secretary of State further to clause 93B), the Company may seek the Secretary of State's agreement that, if he is satisfied that the person assuming Control is suitable, he will not in those circumstances exercise his right to terminate this Agreement further to clause 93A).

NOTICE OF GENERAL MEETINGS

21. General meetings shall be called by at least fourteen clear days' notice but a general meeting may be called by shorter notice if it is so agreed by a majority in number of Members having a right to attend and vote and together representing not less than 90% of the total voting rights at that meeting.

The notice shall specify the time and place of the meeting and the general nature of the business to be transacted and, in the case of an Annual General Meeting, shall specify the meeting as such. The notice shall also state that the Member is entitled to appoint a proxy.

The notice shall be given to all the Members, to the Directors and auditors.

Multi Academy Model

22. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

23. No business shall be transacted at any meeting unless a quorum is present. A Member counts towards the quorum by being present either in person or by proxy. Two persons entitled to vote upon the business to be transacted, each being a Member or a proxy of a Member or a duly authorised representative of a Member organisation shall constitute a quorum.

24. If a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Directors may determine.

25. The chairman, if any, of the Directors or in his absence some other Director nominated by the Directors shall preside as chairman of the meeting, but if neither the chairman nor such other Director (if any) be present within fifteen minutes after the time appointed for holding the meeting and willing to act, the Directors present shall elect one of their number to be chairman and, if there is only one Director present and willing to act, he shall be the chairman.

26. If no Director is willing to act as chairman, or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Members present and entitled to vote shall choose one of their number to be chairman.

27. A Director shall, notwithstanding that he is not a Member, be entitled to attend and speak at any general meeting.

adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen days or more, at least seven clear days' notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise it shall not be necessary to give any such notice.

29. A resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of the show of hands, a poll is duly demanded. Subject to the provisions of the Companies Act 2006, a poll may be demanded:-

- (a) by the chairman; or
- (b) by at least two Members having the right to vote at the meeting; or,

31. The demand for a poll may be withdrawn, before the poll is taken, but only with the consent of the chairman. The withdrawal of a demand for a poll shall not invalidate the result of a show of hands declared before the demand for the poll was made.

32. A poll shall be taken as the chairman directs and he may appoint scrutineers (who need not be Members) and fix a time, date and place for declaring the results. The result of the poll shall be deemed to be the

33. A poll demanded on the election of the chairman or on a question of adjournment shall be taken immediately. A poll demanded on any other question shall be taken either immediately or at such time, date and place as the chairman directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent continuance of a meeting for the transaction of any business other than the question on which the poll is demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.

34. No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In other cases at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.

35. A resolution in writing agreed by such number of members as required if it had been proposed at a general meeting shall be as effectual as if it had been passed at a general meeting duly convened and held provided that a copy of the proposed resolution has been sent to every Member. The resolution may consist of several instruments in the like form each agreed by one or more Members.

**Arrangements for pupils with Special Educational Needs
(‘SEN’) and disabilities at Mainstream Academies**

Duties in relation to pupils with SEN¹

1. The Directors of the Company must, in respect of each **Mainstream Academy**, comply with all of the duties imposed upon the governing bodies of maintained schools in;
 - Part 4 of the Education Act 1996 as amended from time to time²;
 - The Education (Special Educational Needs) (Information) Regulations 1999 as amended from time to time;
 - The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2008 as amended from time to time³.
2. Notwithstanding any provision in this Agreement, the Secretary of State may (whether following a complaint made to him or otherwise) direct the Company to comply with an obligation described in this Annex where the Company has failed to comply with any such obligation.
3. Where a child who has SEN is being educated in a **Mainstream Academy**, those concerned with making special educational provision for the child must secure that the child engages in the activities of the school together with children who do not have SEN, so far as is reasonably practicable and is compatible with:
 - (a) the child receiving the special educational provision which his learning difficulty calls for,
 - (b) the provision of efficient education for the children with whom he will be educated, and
 - (c) the efficient use of resources.
4. In addition to complying with the duties imposed upon the governing bodies of maintained schools set out in The Education (Special Educational Needs) (Information) Regulations 1999 (as amended from time to time) the Company must ensure that the website for each Academy includes details of the implementation of its policy for pupils with special educational needs; the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils (disabled pupils meaning pupils who are disabled for the purposes of the Equality Act

¹ Duties in relation to pupils with SEN at Special Academies are at clause 12A of the Master Funding Agreement.

² Currently these duties are in sections 313 (Duty to have regard to the Special Educational Needs Code of Practice 2001); 317 (Duties in relation to pupils with special educational needs), 317A (Duty to advise parents that special educational provision is being made); and 324(5)(b) (Duty to admit the child where a school is named in the statement).

³ These Regulations are amended by The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2009 (SI 2009 No 1387).

2010¹).

Admissions²

5. The Company must ensure that for each **Mainstream Academy** pupils with SEN are admitted on an equal basis with others in accordance with the Academy's admissions policy.
6. Where a local authority ("LA") proposes to name a **Mainstream Academy** in a statement of SEN made in accordance with section 324 of the Education Act 1996, it must give the Company written notice that it so proposes. Within 15 days of receipt of the LA's notice that it proposes to name the Academy in a statement, the Company must consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Company must have regard to the relevant guidance issued by the Secretary of State to maintained schools.
7. If the Company determines that admitting the child would be incompatible with the provision of efficient education, it must, within 15 days of receipt of the LA's notice, notify the LA in writing that it does not agree that the Academy should be named in the pupil's statement. Such notice must set out all the facts and matters the Company relies upon in support of its contention that: (a) admitting the child would be incompatible with efficiently educating other children; and (b) the Company cannot take reasonable steps to secure this compatibility.
8. After service by the Company on the LA of any notice (further to paragraph 7 above) stating that it does not agree with the LA's proposal that the Academy be named, the Company must seek to establish from the LA, as soon as is reasonably practicable, whether or not the LA agrees with the Company. If the LA notifies the Company that it does not agree with the Company's response, and names the Academy in the child's statement, then the Company must admit the child to the school on the date specified in the statement or on the date specified by the LA.
9. Where the Company consider that the Academy should not have been named in a child's statement, they may ask the Secretary of State to determine that the LA has acted unreasonably in naming the Academy and to make an order directing the LA to reconsider.
10. The Secretary of State's determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the First-tier Tribunal (Special Educational Needs and Disability), be final.

¹ For the meaning of 'disabled', see section 6 of the Equality Act 2010.

² SEN Admissions requirements for special academies are set out in the Special Academy Supplemental Funding Agreement Annex 1.

Multi Academy Model

11. If a parent or guardian of a child in respect of whom a statement is maintained by the local authority appeals to the First-tier Tribunal (Special Educational Needs and Disability) either against the naming of an Academy in the child's SEN statement or asking the Tribunal to name an Academy, then the decision of the Tribunal on any such appeal shall be binding and shall, if different from that of the Secretary of State under paragraph 9 above, be substituted for the Secretary of State's decision.
12. Where the Company, the Secretary of State or the First-tier Tribunal (Special Educational Needs and Disability) have determined that it should be named, the Company shall admit the child to the Academy notwithstanding any provision of Annex 1 of the Supplemental Agreement of that Academy.

Teachers and staff

- 2.2 In complying with the Independent School Standards, the Academy Trust must require enhanced Disclosure and Barring Service (“DBS”) certificates as appropriate for members of staff, supply staff, members of the Academy Trust, individual Charity Trustees and the chair of the Board of Charity Trustees.
- 2.3 The Academy Trust must promptly submit to the Secretary of State, on request, the information contained in any enhanced DBS certificate that it receives.
- 2.4 The Academy Trust must designate a staff member at each Academy as responsible for promoting the educational achievement of registered pupils at the Academy who are being looked after by a LA, or are no longer looked after by a LA because of an adoption, special guardianship or child arrangements order, or because they have been adopted from ‘state care’ outside England and Wales, and in doing so must comply with the law, regulations and guidance that apply to maintained schools. The Academy Trust must ensure the designated person undertakes appropriate training and has regard to any guidance issued by the Secretary of State.
- 2.5 Teachers’ pay and conditions of service at the Academies are the responsibility of the Academy Trust.
- 2.6 The Academy Trust has a statutory duty to ensure that all Teaching Staff employed at each Academy have access to the Teachers’ Pension Scheme (TPS) and, in so doing, must comply with the TPS Regulations. That includes ensuring that only staff who predominantly carry out teaching work are

enrolled in the TPS – teaching work is planning and preparing lessons and courses for pupils; delivering lessons to pupils; assessing the development, progress and attainment of pupils; and reporting on the development, progress and attainment of pupils. The Board of Charity Trustees will need to give careful consideration as to whether or not executive leaders meet the TPS eligibility requirements. Details of the full range of employer duties are on the TP Employer Hub.

- 2.6.1 Access to the TPS must also be in accordance with HM Treasury's published [Fair Deal guidance](#) which sets out how pensions' issues are to be dealt with when staff are compulsorily transferred from the public sector to independent providers. The Academy Trust has a crucial role in the successful administration of the TPS and must comply with the requirements of the scheme administrator to provide accurate and timely information and also to provide pension contributions.
- 2.7 The Academy Trust must ensure that all affected staff employed by the Academy Trust other than Teaching Staff have access to the Local Government Pension Scheme and, in doing so, the Academy Trust must comply with the requirements of the scheme and with Fair Deal for staff pensions guidance published by HM Treasury. These requirements do not apply if an individual chooses to opt out in line with the relevant legal provisions.
- 2.8 Where a member of the Teaching Staff employed at an Academy applies for a teaching post at another academy, a maintained school or a further education institution, the Academy Trust must at the request of the board of governors or academy trust of that other educational institution:
- a) advise in writing whether or not, in the previous two years, there has been any formal capability considerations or proceedings for that teacher at the Academy or the Predecessor School;

- 2.10 The Academy Trust must comply with school food standards legislation as if its Academies were maintained schools.
- 2.11 Where the Academy Trust provides milk to pupils, it must be provided free of charge to pupils who would be eligible for free milk if they were pupils at a maintained school.
- 2.12 Clauses 2.9 to 2.11 do not apply to 16-19 Academies. For **16-19 Academies**, the Academy Trust must comply with any Guidance in relation to free meals in the further education sector, as far as it applies to those Academies.

- b) what it intends to spend its Year 7 literacy and numeracy catch-up premium grant on;
- c) what it spent its Year 7 literacy and numeracy catch-up premium grant on in the previous Academy Financial Year;
- d) the impact of the previous year's Year 7 literacy and numeracy catch-up premium grant on educational attainment, and how that effect was assessed.

Charging

- 2.15 For all its Academies except 16-19 Academies, the Academy Trust must comply with sections 402, 450-457 and 459-462 of the Education Act 1996 with regard to public examinations, charging, providing information, inviting voluntary contributions and recovering civil debts, as if its Academies were maintained schools.
- 2.16 There must be no charge for admission to or attendance at any of the Academies, and the Academies will only charge pupils where the law allows maintained schools to charge.
- 2.17 Clause 2.16 does not prevent the Academy Trust receiving funds from a LA or a charity in respect of the admission and attendance of a pupil with SEN to an Academy.
- 2.18 Notwithstanding clause 2.16, the Academy Trust may charge people who are not registered pupils at one of its Academies for education or use of facilities.
- 2.19 Where an Academy provides a pupil with board and lodging, the Academy Trust must not charge the parent of that pupil more than the cost to the Academy Trust of providing the board and lodging, except as required by the Fees, Charges and Levies guidance in HM Treasury's publication 'Managing Public Money'.

- 4.5 The Academy Trust must abide by the requirements of the current 16-19 Funding Guidance published by the Secretary of State, in respect of any provision for students who are above compulsory school age until the academic year in which they reach the age of 19.
- 4.5A In complying with clauses 4.1 - 4.34 (inclusive), the Academy Trust will (where relevant) be obliged to provide information which relates to each PFI Academy in addition to information which relates to the Academy Trust and any combined information which relates to all of the Academies that the Academy Trust operates.
- 4.5B If the Secretary of State pays any grant to or on behalf of the Academy Trust, in respect of any Free Schools that the Academy Trust establishes and maintains, which includes an amount to cover VAT, the Academy Trust shall, having paid the VAT, promptly submit a VAT reclaim application to Her Majesty's Revenue and Customs (HMRC). Any failure by the Academy Trust to submit a VAT reclaim application to HMRC, or to pursue the application diligently, or to repay any reclaimed amount to the Secretary of State as soon

as reasonably practicable following receipt will be taken into account by the Secretary of State in:

- a) calculating and paying any subsequent grant to the Academy Trust; or
- b) adjusting GAG payable to the Academy Trust in subsequent Academy Financial Years.

Application of the Academies Financial Handbook

- 4.6 In relation to the use of grant paid to the Academy Trust by the Secretary of State, the Academy Trust must follow the requirements of, and have regard to the guidance in, the Academies Financial Handbook.
- 4.7 The Academy Trust must have adequate insurance cover or opt in to the Department for Education's arrangements as set out in the Academies Financial Handbook.
- 4.8 The Academy Trust must submit information about its finances to the Secretary of State in accordance with the Academies Financial Handbook, or as otherwise specified by the Secretary of State.

Budgeting for funds

- 4.9 The Academy Trust must balance its budget from each Academy Financial Year to the next. For the avoidance of doubt, this does not prevent the Academy Trust from:
 - a) subject to clause 4.14, carrying a surplus from one Academy Financial Year to the next; or
 - b) carrying forward from previous Academy Financial Years sufficient cumulative surpluses on grants from the Secretary of State to meet an in-year deficit on such grants in a subsequent financial year, in accordance with clauses 4.14-4.16 and 3.L of the relevant Supplemental Agreement; or
 - c) incurring an in-year deficit on funds from sources other than grants from the Secretary of State in any Academy Financial Year, provided it

does not affect the Academy Trust's responsibility to ensure that its Academies balance their respective overall budgets from each Academy Financial Year to the next.

- 4.10 The Academy Trust may spend or accumulate funds from private sources or public sources other than grants from the Secretary of State for the benefit of the Academy Trust as it sees fit. Any surplus from private or public sources other than grants from the Secretary of State must be separately identified in the Academy Trust's accounts.
- 4.11 For clarity, and in accordance with the intent of parity of funding with LA maintained schools, in circumstances where a Predecessor School had a deficit balance and the Department for Education has settled this with the relevant LA, that amount will be recovered from the Academy Trust's GAG over a period not normally exceeding 3 years (unless the Secretary of State in his discretion decides otherwise) after the Academy opened.
- 4.12 The Academy Trust's budget must be approved for each Academy Financial Year by the Board of Charity Trustees.
- 4.13 The approved budget must be submitted to the Secretary of State in a form, and by a date, to be notified by the Secretary of State.

Carrying forward of funds

- 4.14 At the end of any Academy Financial Year the Academy Trust may carry forward unspent GAG from previous Academy Financial Years without limit (unless a limit is specified in the Academies Financial Handbook, or otherwise as specified in writing by the Secretary of State, in which case that limit will apply).
- 4.15 The Academy Trust must use any GAG carried forward only for purposes of GAG as set out in this agreement, or otherwise as specified in the Academies Financial Handbook or in writing by the Secretary of State.
- 4.16 Any additional grant provided for an Academy's Start-Up Period may be carried forward, without limitation or deduction, until the Start-Up Period ends.

- 4.17 Any unspent grant not allowed to be carried forward under clauses 4.14-4.16 and 3.L of the relevant Supplemental Agreement may be taken into account in the payment of subsequent grant.

Annual accounts and audit

- 4.18 The Academy Trust must prepare and file with Companies House the annual reports and accounts required by the Companies Act 2006.
- 4.19 In addition, the Academy Trust must prepare its annual reports and accounts for each Academy Financial Year:
- a) in accordance with the Charity Commission's 'Accounting and Reporting by Charities: Statement of Recommended Practice', as if the Academy Trust was a registered charity; and
 - b) otherwise as the Secretary of State directs.
- 4.20 The Academy Trust's accounts must be audited annually by independent auditors appointed in line with the Academies Financial Handbook.
- 4.21 The accounts must carry an audit report stating whether, in the opinion of the auditors, the accounts show a true and fair view of the Academy Trust's affairs. The accounts must also be supported by such other audit reports, relating to the use of grants and other matters, as the Secretary of State directs.
- 4.22 The Academy Trust's annual report must include the names of all members of the Academy Trust who served during the year.
- 4.23 The Academy Trust's annual reports and accounts, and the auditor's reports, must be submitted to the Secretary of State by 31 December each Academy Financial Year, or as otherwise specified by the Secretary of State. The Academy Trust must publish on its website its annual reports and accounts, current memorandum of association, Articles, this Agreement, any Supplemental Agreements and the names of its Charity Trustees and

members. The Secretary of State may also publish the Academy Trust's annual reports and accounts, and the audit report, as he sees fit.

Keeping financial records

- 4.24 The Academy Trust must keep proper accounting records. Statements of income and expenditure, statements of cash flow and balance sheets must be produced in such form and frequency as the Secretary of State directs.

Access to financial records

- 4.25 The books of accounts and all relevant records, files and reports of the Academy Trust, including those relating to financial controls, must be open at all reasonable times to officials of the Department for Education and the National Audit Office, and to their agents and contractors, for inspection or carrying out value for money studies. The Academy Trust must give those officials and contractors reasonable assistance with their enquiries. For the purposes of this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.
- 4.26 The Secretary of State may, at his expense, instruct auditors to report to him on the adequacy and effectiveness of the Academy Trust's accounting systems and internal controls to standards determined by the Secretary of State, and to make recommendations for improving the Academy Trust's financial management.

Acquiring and disposing of Publicly Funded Assets

- 4.27 In relation to Publicly Funded Assets, the Academy Trust must not, without the Secretary of State's consent:
- a) acquire or dispose of freehold land; or
 - b) take up or grant a leasehold of land; or
 - c) dispose of any other class of capital assets.

except as expressly permitted in the Academies Financial Handbook, and subject to Part 3 of Schedule 1 to the Academies Act 2010.

- 4.28 The Academy Trust must give the Secretary of State 30 days' notice of its intention to take any of the actions in clause 4.27 (a) – (c) regardless of whether the Secretary of State's consent is required.

Retention of proceeds from the disposal of capital assets

- 4.29 Except as permitted in the Academies Financial Handbook, if the Academy Trust sells capital assets which were acquired or enhanced wholly or partly using payments made by or on behalf of HM Government the Academy Trust must pay to the Secretary of State, at his request, an amount of the sale proceeds equivalent to the proportion of the original cost of the acquisition or enhancement which was met by or on behalf of HM Government.
- 4.30 If the Academy Trust sells a capital asset which was transferred to it for no or nominal consideration from a LA, a Predecessor School or a Predecessor School's foundation, the Academy Trust must, if required by the Secretary of State, pay all or part of the sale proceeds to the LA or to the Secretary of State, taking into account the amount of the proceeds to be reinvested by the Academy Trust.

Transactions outside the usual planned range

- 4.31 In relation to Publicly Funded Assets, the Academy Trust must not, without the Secretary of State's consent:
- a) give any guarantees, indemnities or letters of comfort, except such as are given in normal contractual relations;
 - b) write off any debts or liabilities owed to it; or
 - c) offer to make any special payments as defined in HM Treasury's publication 'Managing Public Money' (including ex gratia payments, staff severance payments and compensation payments)

if the value of those transactions would be above any threshold specified in the Academies Financial Handbook.

- 4.32 The Academy Trust must give the Secretary of State 30 days' notice (or such shorter period as the Secretary of State may agree) of its intention to take any of the actions in clause 4.31 (a) – (c) regardless of whether the Secretary of State's consent is required.
- 4.33 The Academy Trust must promptly notify the Secretary of State of any loss arising from suspected theft or fraud in line with the requirements in the Academies Financial Handbook, or otherwise specified by the Secretary of State.

Borrowing

- 4.34 Except as permitted in the Academies Financial Handbook, the Academy Trust must not borrow against Publicly Funded Assets, or so as to put Publicly Funded Assets at risk, without the Secretary of State's consent.

- a) must abide by the provisions of Part III as if the Academy were a maintained school/Pupil Referral Unit;
 - b) agrees that the Secretary of State will have the power to investigate the subject of the complaint as if it had taken place after the Academy opened; and

 - a) agrees that the Secretary of State may give orders or directions to the Academy Trust as though the Academy were a maintained school and sections 496 and 497 applied to the governing body of that maintained school; and
 - b) must act in accordance with any such order or direction from the Secretary of State.
- 5.3 If at the time of the opening of any **Mainstream Academy**, **Special Academy**, **Alternative Provision Academy** or **16-19 Academy** the investigation of a complaint made to the governing body of the Predecessor School/Pupil Referral Unit has not yet been completed, the Academy Trust must continue to investigate that complaint in accordance with the complaints procedures established by that governing body.
