At the end of last term we sent home parental questionnaires. The feedback about school was incredibly positive with a few constructive comments surrounding playtime supervision and trips. In response to these comments we have increased the supervision at playtimes, keeping Fleetwood Town assigned to develop productive play. We have also begun Playtime Pals training with our Year Five pupils to help support active playtimes.

We have given a lot of thought into our school calendar to ensure we provide all our children with a broad and enriched learning experience throughout their time with us. I have asked that all classes plan school trips to enhance the learning that is already taking place. We have changed our residential visit in year 5 from the Outdoor Adventure Centre in Winmarleigh to the Ghyll Head Education Centre, Windermere. This trip is planned to take place at the end of February and will be linked to the learning taking place in school while also providing exciting, challenging outdoor activities like Ghyll Scrambling, caving, kayaking and orienteering within the beautiful surroundings of the Lake District. We are equally planning a change of venue for our Year 6 pupils in the summer so they can enjoy a totally different and exciting experience.

Along with these very thrilling extra-curricular events we are in the throes of organising our Christmas celebrations. We hope to be able to take the whole school to see a show at Christmas with the majority of families in agreement that it will be a very special occasion to go altogether and help cover the cost. If you do not wish for your child to participate in this please let your class teacher know.

The Year Six pupils have returned to school ready for the challenges that face them in their final year. We have been able to allocate various roles of responsibility to those that have demonstrated over their time in school a commitment to school life, good relationships with others, a trustworthy attitude and a keenness to work hard. We have Prefects, House Captains, Office Managers, Nursery Managers, Playground Pal Leaders, the Charity Committee and ICT Technicians. Well done to those that have been selected!

Gentle Reminders ~

We would like you to please keep your child off school if they are suffering with a sickness or diarrhoea bug until they are clear for 24 hours as this will help reduce further spreading of the infection.

The carpark at the front of our school is assigned for staff use only. We ask that you refrain from parking or dropping off in the carpark to enable staff to be able to park their car and to prevent anyone getting blocked in. Thank you for your cooperation.
