

The PTFA met on Wednesday evening at 18:30 and ran through events that are to take place throughout the year to help raise money for school. The speakers in our hall have not been working very well and Mr Horsley, a keen member of PTFA, has kindly had them refurbished over the summer so that they now function. We would like to have a new sound system which we have asked to be considered once we have hopefully had our hall extended. We have planned the event for Halloween and would really like it if we could have some volunteers to help us on the night. The evening promises to be a fun family night with prizes being given to the best fancy dress in the infants, juniors and to the best dressed family. There will be an additional prize for the most creative coffin! Please bring your carved pumpkins too.

We have added a new feature on our website where you can notify school about your child being absent. This can be found at the top right hand corner of our full website or if using your mobile device it is the first drop down underneath the contact us link.

Once you fill in the details about your child's absence an email will be sent straight to school. However you can still simply phone us.

Our reading afternoon on the 6th November is to start with a whole school assembly with an author called Dan Worsley. He will be able to leave signed copies of his books in school. If you wish your child to have a copy then he asks that you send in the £5 cash on the day with the name you would want writing in the book. Please enjoy finding out about this author by looking at his website at danworsley.com

Gentle Reminders ~

We have had a few items of uniform go missing since the start of term. Please could you check your child is wearing their own clothing and ensure their name is recorded somewhere?

Earrings are not part of our school uniform so if your child is wearing earrings can they please either be removed on the days where sport is taking place or ensure your child has the facility to cover them up? This request is to purely keep your children safe.

The carpark at the front of our school is assigned for staff use only. We ask that you refrain from parking or dropping off in the carpark to enable staff to be able to park their car and to prevent anyone getting blocked in. Thank you for your cooperation.
