Issue 134 Week Ending Friday 2nd February 2018

Thank you very much to those of you who have arranged to meet with me to discuss the support we are putting in place at school to assist with Special Educational Needs. We have been without a teacher that leads in this area of school life (Special Educational Needs and Disability Coordinator) for some time. Nicola Chippendale has officially ended her time at Carleton Green. We have just shortlisted some potential candidates that have been invited to attend interviews this coming week. We are looking for someone to join our team after the Easter holidays to support the teachers, children and our families to provide the best possible outcomes. We are looking for a friendly, approachable teacher who has successful experience of leading SEN provision in other schools. We will inform you hopefully of our newly appointed SENDCo in next week's newsletter.

Parent volunteers – we always welcome your involvement in our school and would really appreciate assistance with different aspects – hearing readers, general outdoor maintenance, joining a working party to design and recreate the outdoor learning space for Ducklings. Please let your child's class teacher know if you can help.

Romeo Update

Romeo is growing quickly and seems to be all legs! He is thoroughly enjoying his puppy classes and walks.

Please use the link below to let us know you are happy for your child to meet Romeo.
