This is my final newsletter of the academic year and we all hope that you have enjoyed a fabulous year at Carleton Green! We are sending our wonderful year 6 children off to the various High Schools in the area and much like being a parent; we hope that we have done our very best in preparing them for this next stage in their lives. We have a few events yet to enjoy though with the end of year production, camp taking place and then our special leaver's evening on Tuesday 24<sup>th</sup> July.

We have held two magical evenings in school this week where children have been able to showcase their talents. We are very grateful to our judges that have attended these evenings that them more special. Abbie Williamson was a worthy winner for the Got to Dance with Robyn Newby as the winner for Voice of the Year. Dan Crompton expertly 'banged' his way to rightly earn the badge of Musician of the Year.

Our Ofsted inspection highlighted that attendance for a small minority of our families was an area we needed to improve. We have already positively impacted upon the attendance of those families identified but really ask that you are all mindful of getting your child to school on time and in every day please. We are judged on our attendance figures within the authority and by Ofsted and feel that those that are opting to take a holiday during term time or arrive late to school are spoiling the reputation of our school. We try our very best to enable you to access cheaper holidays by providing the two week break in October and then again this past May but this does not seem to be reducing the number absent for a holiday. 70 children are recorded as taking a holiday during school time this year which is a very high amount.

Thank-you for all the lovely comments and feedback I have received about the Cheerios and their performances at Sports Day, Open Evening and the Summer Fair. The children worked incredibly hard in very hot conditions to create two amazing routines in around 8 weeks, I am so proud of them. I'm very sad to be saying goodbye to the Y6 Cheerios, I will miss their energy and enthusiasm immensely, I hope this is an area they continue at High school.

I have invited the Y6 children to help me audition some new members on Thursday 19<sup>th</sup> July. Auditions are by invitation only. Class teachers have selected children who they feel have the potential to be a Cheerio and they have received a letter today.

At audition I am looking for a range of skills appropriate to the child's age. Bare minimum is a forward roll to standing and a full cartwheel with straight legs. I will be looking for other gymnastic skills/ tricks, excellent core strength and stability for flyers and strength and confidence for bases. Some dance ability and a bit of "sass" is also a required element. I only intend to take 10 new Cheerios for September but may audition again after Christmas. Mrs Jones
