We hope you have all received your letters detailing the costs for the trips/speakers/events planned for your children over the year. We found last year that by sharing these with you ahead of time was helpful. We hope that you think that experiential learning opportunities are important and will make your contribution to assist with payments. We ideally would like all monies to be in school by 11th January 2019.

Thank you for your continued support in and out of school, Susan McGrath, Headteacher and Sapphire Murray, Deputy Headteacher.

Assessments have taken place across school this week with good progress evident. We understand that supporting your child's learning can be difficult but it is so important that reading is a shared activity along with use of IDL and learning spellings. If you experience any difficulty with any aspect of your child's learning please do not hesitate to get in touch so that we may better support you.

We have just welcomed a new member of staff to our team with Mrs Taylor supporting the learning in the lower half of the school. We hope that she has enjoyed her first week with us and that your children have benefitted from working with her also. Mrs Claydon is due to return to school on Monday 15th October. She has unfortunately been unwell and not able to be in school. Robins' Class have coped remarkably well in her absence and have enjoyed this week with Mrs McKone. We rarely will cover absences with supply teacher and so have invited Mrs McKone to provide the cover needed in Robins as she knows our school well due to training as a teacher with us.

Our Carleton Code is something we hold dear to us at school, where expected behaviour is acknowledged and rewarded. Our behaviour policy has been built around the ethos of our codes with most pupils able to meet our expectations. For a minority of pupils this expectation is beyond their reach and usually this is due to a special need. Where we can identify the special need, we endeavour to provide support to overcome the barrier, as we would if it were a physical or a learning need. All pupils are expected to be able to access an education that is safe. With this in mind we will exclude pupils if their conduct is proving detrimental to the learning of others.

On Thursday 18th October, we will be welcoming Reverend Boyd into our school again to lead our Harvest festival assembly for the whole school. The focus will be on saying thank you for what we have as a school family but also on looking at those less fortunate than ourselves we would be grateful for any harvest donations that Reverend Boyd can use to help homeless people in our local community. Donations of: tinned foods, packets of instant pasta, rice, noodles, pot noodles, gloves, shampoo, shower gel, shaving foam and socks would be very gratefully received.

Thank you for your continued support in and out of school, Susan McGrath, Headteacher and Sapphire Murray, Deputy Headteacher.

Miss Murray's section:

This week I have had the pleasure of showing prospective parents, of our Reception 2019 class, round our school. It has been a delight to receive such positive comments about how engaged the children are with their learning and how the learning environments are now coming to life.

Thank you for your continued support in and out of school, Susan McGrath, Headteacher and Sapphire Murray, Deputy Headteacher.
