Trips are something schools like to plan into our curriculum as they bring learning to life. Unfortunately, we are so short of contributions from a third of our families that all we have planned may have to be cancelled. We are extending the deadline for payment to the end of this month. We would appreciate knowing what it is that causes difficulty with making contributions towards trips/visitors to assist us in the future.

*Thank you for your continued support in and out of school, Susan McGrath, Headteacher and Sapphire Murray, Deputy Headteacher.*

Issue 165 Week Ending Friday 18<sup>th</sup> January 2019

We have enjoyed a super week at school with many opportunities for fabulous learning. I have been amazed by the writing in Ducklings where the children are truly making great progress with their letter formation and knowledge of sounds. We are aiming to get more examples of our learning each week onto our website and would welcome positive comments to be left by you when viewed.

Well done to this week's star of the week:

Isabella Irvin, Myles Irving, Blossom Briggs, Caitlin McArdle, Molly Nolan, Zak Lukac, Harry Price, Tiggi Taylor, Kaysha Ryan, George Oakey and Katie Workman.

Romeo has enjoyed another super week in school. He is being used to support playtimes at lunch and is in classrooms while the children are learning. He has helped some pupils regulate their emotions and reduced their anxiety which has been wonderful to witness. He is still attending weekly sessions at his School Therapy Dog sessions and has successfully passed his Bronze.

I have always wanted a dog and now I do. I love having a school dog!
