We have probably had the best Easter break for quite some time weather wise and hope that you all enjoyed the time off. Thank you to those that attended the KS1 meeting regarding phonics and the Year Two SATs. The tests that take place for our Year Two pupils are scheduled to take place the week commencing the 20<sup>th</sup> May. They will be delivered in a very relaxed manner so that the children will be able to perform their very best. Please simply ensure that your children arrive to school on time having had a good night's sleep and breakfast.

The Year one children are also to take part in some testing of their phonic knowledge which looks at their ability to break words up into their sounds. Please practise at home the 44 sounds in the English language.

In preparation for the upcoming KS1 SATS we will be offering an after-school club for Year 2 children from 15.30 – 16.15. This is an optional club and will recap key skills we have covered in class, focusing on Reading, Maths and SPAG.

Monday 29<sup>th</sup> April

Tuesday 7<sup>th</sup> May

Monday 13<sup>th</sup> May

Monday 20<sup>th</sup> May

Our Year Six pupils are working very hard in readiness for their SATs (week beginning the 13<sup>th</sup> May) that measure their High School readiness. We anticipate that our children will do well. Again, we will make every effort to make the week as relaxed as possible and ask that you support us with ensuring they are in school on time, having had a good sleep and breakfast.

Thank you for your continued support in and out of school, Susan McGrath, Headteacher and Sapphire Murray, Deputy Headteacher.

This Saturday is the 2nd Carleton Green Goes Green open day at school. We had such an amazing turn out at the last event, and are very much hoping for the same on Saturday. The school will be open from 10.30 until 13.00 with refreshments provided. We are looking for anyone that can spare an hour or two and doesn't mind getting a little grubby. Lots of jobs to be ticked off: sheds to be fixed, timber painting, gardening maintenance, up-cycling of picnic table/bench, tree trimming, tidy up of duckling's play area, continuation of greenhouse build.....the list goes on! If you have the skills, tools and time, or just fancy popping in for a nosey and to say hi, we would love to see you on Saturday. As always happy to take anything such as timber paint, roof felt, compost and plants off your hands 🍷♻️

The PTFA have worked incredibly hard over the Easter weekend making a fabulous start on our recycled greenhouse.

## Parenting courses – they make a difference

We all know that raising children is a physical and emotional rollercoaster and it seems that parents today are under more pressure than ever before.

There is support available that is committed to supporting mums and dads and one of the ways we do this is through our Positive Parenting courses. Practical, preventative, relationship-based, friendly and accessible, we are told that parents find them literally life-changing.
