Issue 184 Week Ending Friday 28th June

Wow! What fabulous weather the Year Fives have had for their camp. I was extremely disappointed at not being able to join the children this year but with my Deputy headteacher being off school I had no capacity to be released. It looks like the children have had a great experience and will have made many memories. I cannot wait to hear about their adventures. The teachers have been in touch throughout and report that the behaviour of the group has been amazing. I am very proud of them all.

We are hoping that the weather remains glorious for our summer fair and that we enjoy another successful event. The PTFA have worked so hard in preparing this. Please join us in making this a success and a fun day.

Our Year One pupils have had their tests for phonics (breaking words up into their letter sounds to help decode unknown words) and they have done incredibly well. We are very proud of our little learners. I had the pleasure of being shown Jaxson's writing earlier this week. I was blown away by his spelling ability and cursive handwriting. He is a very clever Little Duckling! Over the summer we ask that all children please continue to read, write and practise their number facts/multiplication to prevent loss of learning over the summer holidays.

The week started with our Upper Key Stage Two children visiting Blackpool Tower to complement their learning. I received a phonecall to express the Tower's delight at working with our pupils. Mr Cooper and Mr Powell took a group of boys to Poulton Swimming Pool on Tuesday and I took a group of girls to represent us at the annual swimming gala. We did very well where yet again I was able to be proud of the conduct of our pupils.

Our school day is 09:00-15:30. Please make sure you arrive on time for dropping off and picking up. Too many children are not being collected on time. This week over 20 phonecalls had to be made to query who would be collecting children at hometime.
