There will be more dates added over the next few weeks so please keep a look out. Changes or additions will be in red.

Our busy seven weeks mark the end of our first half term and I am thrilled with how our Ducklings have settled into life at Carleton Green.

Our Halloween Family Night is quite possibly the most popular event the PTFA organise. Due to Health and Safety we have to limit the amount of tickets sold due to the capacity of our hall. We are extremely sorry that some of our families have been disappointed to not have been able to get a ticket. We have a film night coming soon for the children and our Christmas Market which are both lovely events. Tickets for the film night will soon be available.

Thank you to all those that helped organise this evening.

Headlice and verruca are the modern-day plague! Please check your child and treat straight away to prevent the spreading to others. Both are very unpleasant afflictions and can easily be prevented. A text will have been sent out as well.

Our Year 5/6 pupils enjoyed a tremendous day on Wednesday where the Viking period was brought back to life before their eyes. Their learning literally has been inspired with so much information gleaned. Trips and visitors are an excellent way of enhancing our teaching forming memories that will last forever.

Thank you for your continued support in and out of school, Susan McGrath, Headteacher.

Issue 193 Week Ending Friday 18th October

We have ended the half term on an absolute high with M&M Theatrical Productions bringing the Jungle Book to life for the children. It was a wonderful opportunity for the whole school to experience a live show along with enjoy a fabulous story. We are very grateful to Mr Cooper and Miss Watmough who managed to organise this for us.

Behaviour at Carleton Green is something I am very proud of as the majority of children conduct themselves exactly as is expected. Our Carleton Code promotes our aim to produce well rounded, lovely individuals. There are however, times whereby some pupils are unable to comply and usually such behaviour in our setting is due to an out of school matter and anxiety. We have lots in place to support such pupils and their families where we will utilise the expertise of my team, Romeo as well as outside agencies such as the Family Well-Being Services in Lancashire. Positive reinforcement and great home-school links will often help and eliminate the difficulties encountered at school. It is sadly inevitable that children will be exposed to some unacceptable behaviour at some point in their school lives but what we at Carleton Green ensure is, that they know it is not alright and can see we intervene. Our behaviour policy is on our website with a full explanation of acceptable and unacceptable behaviours. All children are entitled to their learning but it can never be at the detriment to others and so we will always remove children from classes if they are disturbing the learning for others.

On Saturday 26th October at 7pm, there is to be a fabulous live show called "A Million Dreams" which is a tribute to The Greatest Showman plus a family disco set afterwards held at Vicarage Park Community Centre in Poulton. Ticket prices are reasonably priced at £10 adults / £5 children / free under 5's. There are also family tickets at £25 for 2 adults/2 children and £30 for 2 adults/3 children. They are on sale in Poulton at Connect IT and New Penny cafe or online at www.eventbrite.co.uk.

Clubs will be starting again after the holiday break for five weeks starting on the 11th November. Details of these clubs and a google form will be emailed on the 4th November. In the meantime, enjoy a wonderful fortnight holiday.

Thank you for your continued support in and out of school, Susan McGrath, Headteacher.
