I had said there would not be a newsletter but we had quite a few things we wanted to share including details of next term's clubs that are on offer along with celebrate our stars for this week.

Thank you to all those that fought through the traffic, wind and rain to join us at Rossall Chapel on Wednesday evening. As always, it was a magical evening with the children singing beautifully. The choir brought tears to my eyes with each performance! We were very grateful to Mr Boyd for accompanying our singing especially our rendition of the 12 Days of Christmas.

Despite it being a very busy time of year for him; Father Christmas came to wish the children at Carleton Green a Merry Christmas on Thursday. He said he really enjoyed his visit, loving meeting our delightful children and really liked The Shed!

Normally we end the term sending out our Interim reports with targets for next steps of learning. We have reflected on this and have decided to delay these being sent home until we return for the Spring Term. This will enable you to speak to your child's classteacher straight away should you have any queries.

Thank you for your continued support in and out of school, Susan McGrath, Headteacher.
