Monday 20th July ~ End of Year Awards via Zoom. Last day for Little Chicks before the summer holidays.

This week has marked the start of the return to normal life at school with pupils in our Little Chicks, Duckling Classes, Year One and Year Six coming back. I have to admit to shedding a few tears of joy at seeing the children arriving. Our Key Worker's children have been tremendous throughout this whole period and I am incredibly proud of how resilient they have been however, I can see they have been much happier with more children back in school.

We therefore have seen there is value in having the children being back in school alongside some of their peers and would like to invite the other year groups to attend an hour long session to be with their teacher and a few of their other friends. Due to the arrangements in school to maintain social distancing and good hygiene we have one classroom that will be available for use from 15:30-16:30. We have allocated days to groups of children and invite them to access school using the infant gate no earlier than 15:20 and leave via the infant gate at 16:30. There will be markings on the ground to help the children keep spaced apart as they enter school and wash their hands. Please see the timetable below:

I hope you are all safe and well. Much love, Susan McGrath, Headteacher. head@carletongreen.lancs.sch.uk

Children in Owls, Doves and Kestrels have been split into groups of 10 and will receive an email that details the day they are to attend. We really hope that you will send your child in as we cannot emphasise more the positive impact we have witnessed with those that have been in school already. We ask that if you wish your child to participate that they come wearing their uniform.

This year our end of year reports will comment on your child's work from September to March and will reference what they were on track to achieve. We are sorry that they are to be emailed to you and therefore not signed by me but I have read them all and am pleased with how the children were progressing and attaining. If you have any queries regarding any aspect of the reports we ask that rather than make an appointment that you email either myself or your child's classteacher. Now the teachers are in school full time they are not able to respond to emails and blogs as they did when working from home and we therefore would appreciate if all correspondence is sent within the hours of the working week rather than over a weekend or evening.

There are three weeks left of our summer term with the last day for children being in school being the **17th July**. This is so that we can hold our usual award assemblies on the 20th for our Carleton Codes and Stars of the Year along with announcing our new Head Boy and Head Girl along with the Deputies. However, unlike normal, this assembly is to be staggered and will be remote via Zoom so that all the children can be involved. We really want each child in every class to be part of this and so have set times where this is to take place. The teachers will all put the information on their home learning for you to register. This information will be available during the week beginning the 13th July. Below are the times for each class:

We have managed to provide care for our Key Worker's children since March without any break, ensuring that home learning has been prepared each week too. School officially closes on the 20th July and I hope you will agree that we need a break to switch off and spend some time with our own families. We need some vital respite to be ready for September when hopefully we all will be back in. I am trying to arrange a summer camp for the key worker children with Fleetwood Town. Due to the current circumstances, should such provision be available it will be purely for Key Workers and will run differently to holiday clubs in the past. I cannot yet confirm that this is a certainty nor provide any further details however, I have asked that I hear from them every Friday with an update on their intentions.

I hope you are all safe and well. Much love, Susan McGrath, Headteacher. head@carletongreen.lancs.sch.uk
