We have enjoyed a super final week of the Spring Term. The children have worked so hard this past term and we hope that the weather will be kind so that we can all enjoy the outdoors and some much deserved time off. The Ducklings enjoying an Indian Dance Workshop at the beginning of this week. They learned some fabulous movements and worked hard towards an end performance.

COVID has affected many aspects of school life which are unavoidable - assemblies, PTFA events, sporting fixtures along with the roles of responsibilities for the Year 6 pupils not taking place fully. We have been so impressed with our Year 6 cohort and are sad that they are not having the normal experiences for their final year. We recently have asked children to apply for the role of Sports Captains and Mrs McEvilly received some lovely applications. She formed her decision based upon the pupils' prior involvement with sport and how over the years they have represented school. So we are very pleased to announce that our new Sports Captains to be Lily Johns, Oliver Russel, Ollie Walsh and Nathaniel Merricks. Well done!

We also would like to award another role to other Year Six pupils. The role of Reading Ambassador. The children chosen have consistently displayed a caring side to younger pupils across school and within this role will support infant classes with reading. I therefore am very proud to announce that Olivia Frith and Adam Rogerson have been selected from Falcons Class, Evie Bunting and Lucy Redman have been selected from Eagles Class and Jessica Williams and Nicola Visan have been selected from Hawks Class.

Once again I ask that our staff carpark is not used by parents for dropping off or for picking up unless by prior arrangement. Last week a little girl was almost knocked over as was too small to be seen by the parent leaving our carpark. Also the residents on Avery Gardens are despairing about the lack of regard for their properties where lawns are being ruined and they are unable to set off for work as their driveways are being blocked. Please be considerate and drive carefully

-Booster information will be sent out over the Easter holidays if your child's class teacher feels they will benefit from extra: phonics, times tables or SATs preparation.

Over Easter I ask that you contact me via my email to notify me of a positive case. I will check my emails at 12 each day and then notify those families who have children that have been within the bubble for self isolation. Let's hope that we have zero cases and can enjoy the break. Lancashire have organised a virtual activity programme for 4-16 year olds. To register you are informed to go to:

Our newest member in the kitchen team, Mr Sascha Romberger, has settled in well. Together he and Mr Fish have created a two week menu offering alternatives on certain days. All our food is prepped and cooked in our kitchen using fresh local ingredients wherever possible. The menu is subject to change depending on availability of fresh produce, with us trying to introduce something new every couple of weeks. The children have responded well to the new items with clean plates all round and a lot less wastage. You are welcome to book your child to have a school lunch on the days they like the choice. They simply can order in class and you can pay via parent pay.
