We have made a wonderful return to school these past two weeks with the children making steady progress. We have booster sessions available for children to provide additional support to their learning. Please ensure your child attends if possible. I think our Year 6's look lovely in their Leaver's Hoodies. We hope that they enjoy their final term ahead of High School.

Mrs McEvilly has been working from home since the holidays but is to commence her maternity leave this weekend. We wish her all the very best of luck for this exciting chapter in her life and cannot wait to meet baby McEvilly! She will still be in touch with school

throughout her time off, however please contact Mr Thorpe or myself if you have any concerns that need addressing over the summer term.

Mr Panther has decided that it is time for him to step down from the role of Chair of Governors. He has been a wonderful support to school for many years and we would like to thank him for his time and input. Mr Workman also has found it time to end his term as a Governor. Again, his input and support for school development has been very much appreciated. We are delighted to have Mr Lee Cadwalladar and Mr Stuart Shepherd join our Governing Board along with Mr Simon Pegg. Mr Pegg is our newly appointed Chair of Governors. If any parents have any interest in joining our Governors in helping support us in further school improvement, please email me with how you feel you have a skill-set we might benefit from.

Our fabulous Little Chicks Nursery has sessions available for September. If you or anyone you know is interested, please speak to Mrs Harrison in the school office on any morning to find out more information. Our Duckling places are all taken for September and we look forward to meeting our new pupils in the summer months.
