

Dates to consider:

Friday 21st May ~ Marine Biologist in to talk to the Ducklings.

28th May ~ break up for half term at 15:30

4th, 5th and 6th June ~ Bowness to Carleton Staff Sponsored Walk for Pancreatic Cancer

10th June ~ Return for 2nd Half of the Summer Term.

Week Beginning 14th June ~ Year Six Carleton Green SATs

Monday 21st June ~ Group Photos

Week Beginning 5th July ~ Healthy Living Week. PE Kits will be needed.

Once again, I am unfortunately having to include a section about dropping off and collection - parents are still using the school carpark. It is for health and safety reasons that we ask that you park on the roadside and use the pathways to access school and do NOT use our carpark. This prohibition extends to breakfast and after school club times. None of us wish to have to challenge parents face to face about this and so we ask that you respect the signage around school.

This week a member of my team had their car badly damaged in our carpark with no note left behind.

Thank you for your continued support both within and beyond school. Stay Safe, Susan McGrath, Headteacher. head@carletongreen.lancs.sch.uk
Rachel McEvilly, Deputy Headteacher. r.mcevilly@carletongreen.lancs.sch.uk

We really want to engage our pupils in their learning so that they are able to use and apply new skills in a purposeful way. As part of their topic of Sealife, our Ducklings have been most fortunate to have had Nibby visit our school. He told the children all about his work as an illustrator. They had lots of fun working with him, creating their own sea creatures. They described the features they wanted and Nibby brought them to life with his sketches. The children are keen to decorate them!

They also had an interesting time with Mrs Haigh learning about how to prevent plastic from reaching our oceans. The children loved the 3 P's -Poo, Pee and Paper!

This week we have been invaded by pirates! Harhar me matey's!

Our infants have been learning about animals and have enjoyed learning about the role of a Zookeeper. The visit brought the role to life for the children. Whereas in Owls, Doves and Kestrels the children have been learning about the digestive system. Upstairs, our eldest learners are enthralled with the plague and the unbelievable similarities to COVID. Their diaries make for very interesting reads!

*Thank you for your continued support both within and beyond school. Stay Safe, Susan McGrath, Headteacher. head@carletongreen.lancs.sch.uk
Rachel McEvilly, Deputy Headteacher. r.mcevilly@carletongreen.lancs.sch.uk*

Safety

Our recently installed play area in the junior playground is causing a lot of interest but it has to be used safely and under supervision. We really would appreciate it if you do not allow your children to play on it before or after school. We do not want any unnecessary accidents taking place.

Once again, Mr McDougall came to help with our school grounds. His help is very much appreciated! If anyone has some spare time to help, please let us know.

Other news: Mrs McEvilly's little boy has arrived slightly earlier than expected On her moving day into her new home! I am thrilled to say that Baby Oscar Arthur and Mum are doing well. Mrs Harding has started a phased return to school, where it has been lovely for the children to see her. We are really pleased that she is feeling able to return to working in Parrots Class with Mrs Jones. We have planned for both teachers to jointly share the class together to allow Mrs Harding to fully resume her role gradually. Mr Thorpe and Mrs Davis have made a great start to their life at Carleton Green and already we feel like they have always been here.

2021-2022 Classes

It is quickly approaching the time of year where we create our new classes for the coming year. As always, I would like to hear from you whether there are any specific pupils you would like your child to learn alongside to assist us in making our judgements. Please email before the 16th June. Our school structure is beneficial on so many levels and creates very positive outcomes for all our pupils.

Our girl's football team stormed their tournament on Wednesday evening....very proud!
