Issue 247 Week Ending Friday 28<sup>th</sup> May 2021

We have had a busy final week in school recruiting new teachers to join our school for September.

It is with very mixed emotions that I am informing you of the changes we have to our existing team. May is always a month for change in a school with teachers moving on to pastures new.

Mr Vaughan has decided to take on a new challenge within his career and take a new route of working within the Catholic sector of education. He has been successful in securing a new post and is moving to work in Preston at Our Lady and St Gerard's RC Primary School as their Year Six teacher. It is something that he has talked about doing for some years and although I am very sad that this move means he will be leaving our school; I am equally excited for him. Many children have passed through Carleton Green having enjoyed being taught by Mr Vaughan and I am certain that many of you will want to wish him much luck in his new venture.

Mr Cooper too has been keen to progress his career and has secured a promoted post within a local Primary School in Blackpool. His new position at Unity will also start in September. Mr Cooper has been a much-valued member of our team for a good few years and his laughter will be much missed around our corridors. We are very proud of his success and will look forward with interest to see how he gets on.

Mrs Harding also has made a brave decision to follow a dream. She is moving the furthest away out of the three. Mrs Harding and her lovely family have decided to move to Germany. She has achieved a fabulous post within an International School which looks very exciting. We certainly will be keeping in touch so that our children can correspond to the children she is teaching.

After reading through over sixty applications, we are thrilled to have Mrs J Shepherd and Mrs J Danyadi joining our team in September. Mrs Shepherd has worked in a local school recently and is keen to further her career by moving to our school. Mrs Danyadi also has worked locally for a few years and has more recently been supporting teachers with their teaching of Mathematics. We feel that both are going to make a valuable contribution to our school team and very much look forward to them joining us. Already they have

Mr J Sharp will continue to deliver high quality PE lessons across the school.

Our fabulous team of LSA's will be assigned to classes once we have organised where the children will be learning to best support their needs:

Mrs J Hutchinson, Mrs B Navruz, Mrs M Moss, Mrs J Noctor, Mr D Powell, Mrs L Hicks, Mrs N Rodgers, Mrs K MacDonald, Mrs L Soneya, Miss C Hardman, Mrs J Chappell, Mrs Kapa, Mrs K White and Mrs D Crooks.

Mrs McEvelly is due to return from her maternity leave in October and will be supporting the teachers to ensure standards are as high as possible across school.

The children may be having some additional PE sessions in the coming half term so please be aware that texts may be sent out requesting your child to come in their PE kit for more days than normal. Our Year Six team are also preparing their end of term production and assemblies and we are very much hoping that COVID restrictions will be relaxed enough so that we may invite parents to participate. Details will be provided as soon as we are able to confirm plans.

Extra-Curricular Clubs will change for next half term. Please click on the link below for the details. All sessions are to begin from the 14<sup>th</sup> June 2021.

We hope that you all have a wonderful half term break and that the sun shines as is forecast.

I have been inundated recently with matters that have taken place outside of school hours such as: Unpleasant social media correspondence between parents, inconsiderate car parking, parents falling out due to pupil friendship issues to name but a few. I simply ask that we all try to behave with consideration towards others and to not use social media to intimidate or cause upset to anyone.
