

This week our Year Six pupils have carried out their end of Primary School Assessments. They have done really well and we have been very proud of their attitudes towards completing them. Eagles, Hawks and Falcons children are going to be working towards producing an end of year performance and it is vital that the children practise their lines or roles in readiness for this.

Week Beginning 19th July~ Leavers' Events. We cannot extend an invitation to an evening BBQ for parents this year but will ensure that the children enjoy their final few days at Carleton Green. The BBQ instead will take place at lunchtime where we will cater for our Year 5 and Year 6 pupils. We would like it if the children could bring in picnic blankets as we hope to be able to enjoy this on our field. We have arranged for Blue Moose Dance company to join us as they do every year to work with our Year 6's to produce a choreographed dance. We hope that restrictions will be lifted so that we can hold our Leaver's Assembly as intended on the Thursday evening.

Mrs McEvilly and the teachers in school would like to carry out Voice and Musician of the Year and 'Got to Dance' again. Details are included in the dates to consider section.

Year Five and Year Six Curriculum ~ As part of the Relationships and Health Education curriculum we are to ensure our older pupils are knowledgeable about key facts about puberty and the changes they are to expect to take place to their bodies through adolescence including both physical and emotional. Puberty talks will be taking place with our Year 5 girls and our Year 6 pupils during our Healthy Living week. We are to send home the material we are to use ahead of these lessons so that families are fully briefed for any questions that may arise.

I am incredibly thrilled to learn about Lily Johns' success in being offered a full playing contract at Blackburn Rovers Regional Talent Centre next season. Brilliant!!!!

We have recently noticed that there has been an increase in altered arrangements for home time collections; with children going home for tea with their friends and play dates at the park. These are all lovely signs that we are able to mix and socialise once more however, we simply ask that school are made aware to help us in keeping your children safe. Thank you.
